

The Washington State Fair is continually striving to make setup of merchandise and animal exhibits safer and more efficient. We are asking for your full cooperation in this safety program. **If you do not need to drive onto the grounds, please park in a Fair parking lot and hand truck or walk in.** When you have to drive in and unload, do so as quickly as possible and exit.

SECURITY CHECK

Each vehicle entering the grounds may be subject to search prior to entering the grounds. Expect delays.

SERVICE GATE

Enter to receive vehicle permit to unload on grounds. You will be allowed one hour to unload and exit the grounds. Your pass will be date/time stamped. If you absolutely cannot complete your unloading in one hour, you must get the pass validated by a department superintendent or an administrative person.

TRAFFIC PATTERN

Follow the traffic patterns as established. Surrender the vehicle permit at the time you exit the grounds.

FINE

If you take longer than one hour and do not have validation for an extension, there is a parking fine of \$10.00 per hour.

DURING FAIR TIME

Concessionaires and sponsors with vehicles will be allowed through the Service Gate between 6:00 am and 8:30 am with a Service Road Vehicle Permit. You will receive your gate permit from the attendant at the gate. Beginning 30 minutes prior to opening **NO** vehicles will be allowed through the gate, unless otherwise posted. All vehicles must be removed from the grounds 30 minutes prior to opening.
