HEALTH & SAFETY

The Washington State Fair and its guests must comply with the governor's Safe Start Reopening Plan, as it relates to drive-through food service. We ask guests to adhere to CDC-approved safety measures and a family-friendly environment.

- Payment accepted is **Credit/Debit Cards ONLY. No cash.**
- Please remember to stay in your vehicle at all times and wear a mask to keep everyone healthy and safe.
- Should you need a restroom, feel free to park near one and please wear your mask while you visit.
- Vendors will follow Department of Health guidelines for food workers and food establishments.
- Disinfectant and sanitation products will be provided for workers to clean their workspace, equipment, tools and common areas.
- Hand sanitizers will be available and/or access to nearby hand washing stations in customer areas.
- Staff and vendors will frequently sanitize working surfaces, particularly concession/ticket counters, electronic pin pads and other areas contacted by customers and employees.
- Hourly hand washing or sanitation by employees will be required.
- The Washington State Fair staff and partners will wear appropriate PPE.
