\$420.00

\$420.00

\$520.00

\$630.00

\$700.00

\$840.00

Single Phase     Three Phase

This form is for ordering additional electrical needs. Each booth is supplied with 115 volt, 1,000 watt outlet. Additional electricity will be provided only if it is available.

Example: watts divided by 120 volts = amps i.e. (1,500 watt appliance / 20 volts = 12.5 amps)

**Please Note:** Rental of lighting from GES **DOES NOT** include electrical power. If you rent lighting from GES you must order additional electrical power. GES is responsible for maintenance of rental lighting, contact: (253) 841-5101

Orders must be paid in full at time of order.
