or

OFFICIAL N.P.G.A. SHOW

N.P.G.A. rules to govern and take precedence over all others.
GROUP CLASSES AND SHOWMANSHIP ARE SPECIALTY
CLASSES, AND NOT PART OF THE N.P.G.A. SANCTIONED SHOW.

SHOW RULES

- 1. Online entry registration is due on Thursday, Sept. 15 by 10pm. ENTRY FEE IS \$6.00 PER HEAD.** Entry fees must be paid at the time you submit your online entry registration. NO ENTRY FEE FOR SHOWMANSHIP.
- 2. Final entry changes must be received by Monday, Sept. 19** in order to appear in the show program. Substitutions may be made ONLY within the same class.
- 3 The superintendent has the sole discretion to limit entries to the capacity of the barn. The maximum number of goats that will be accepted is 150. After that number is reached, additional entries will be returned to the exhibitor. If you have entered and are unable to attend the show, please notify the superintendent so that pen assignments can be altered.
4. Read Rules and Regulations link on page 3 of this book. **Exhibitors must submit vet check-in slip to the superintendent of their livestock department in order to proceed to livestock barn. NO EXCEPTIONS.**
5. Pygmy goats must be delivered to Livestock Barn H, to assigned pens. A map of pen assignments will be posted. If there are any questions, check with the superintendent.
6. Due to the large volume of goats housed in Barn H, it is required that the pens be kept clean and sanitized often.
7. All animals must remain in barns until their designated release time as set by The Fair and department superintendents. Failure to do so could result in forfeiture of premium money and, potentially, the privilege to show at future Washington State Fair livestock shows.
8. Goats must remain until 8pm on Sunday, Sept. 25. Exhibitors have the option of staying until Monday, Sept. 26, but must leave before 9am.
9. Judging will take place at 10 am on Saturday, Sept. 24.
10. With the exception of wethers, a registration certificate is required for any animal shown in this sanctioned show. Only original registration certificates will be accepted.
11. All animals will be inspected by the Washington State Fair veterinarian before being penned. No animals with any type of infectious diseases will be allowed. The Fair veterinarian will have the final say. The Washington State Fair requires all goats to be tagged or tattooed with scrapie identification. Animals having partial tattoos shall have accompanying identification papers.
12. Upon arrival please turn in your original registration papers (NO COPIES) to the show secretary. All tattoos must be legible (clearly readable). No tattooing will be allowed after unloading. Wethers need not be tattooed. Microchips are okay on all goats.
13. Only animals to be shown will be allowed. No nurse does. No newborn kids unless born during transport.
14. Open class exhibitors should make arrangements for accommodations off of the grounds. 4-H dormitories at the Washington State Fair will be available for use by 4-H State Fair/State FFA Exposition exhibitors and their chaperones ONLY.
15. The hay and straw storage shed will not be open to exhibitors. Please order hay and straw from your superintendent before 6 pm for the following morning's requirements. Hay and straw bales shall not be used for purposes other than feed and bedding.
16. Animals may not be walked on or off the grounds because of serious environmental concerns directly related to animal waste. Any animal (except horses) that cannot be transported in a solid bottom carrier must be removed in a truck, trailer or similar conveyance.
17. **Eating in the Barns vs. E. coli O157:H7 – Exhibitor Cooperation Needed.**

Again this year, our barns will not only have signage reminding Fair guests to "Wash your hands upon leaving any livestock area", but also "Please refrain from eating in livestock areas."

The State Health Department has asked The Fair to request that our livestock exhibitors set an example for Fair guests and refrain from eating in the barns. Please step outside the barn to eat.
