SHEEP SHOW RULES

1. **An exhibitor must enter a minimum of three (3) sheep in one breed to have their entry accepted.** Entry fees must be paid at the time you submit your online entries (\$6.00 per head). ANY CHANGE IN ENTRIES MUST BE MADE WITH THE SUPERINTENDENT OR SHOW STAFF BEFORE THE DAY OF SHOWING. SUBSTITUTIONS MAY BE MADE ONLY WITHIN THE SAME BREED AND CLASS. Entry fees will not be refunded unless superintendent is presented with a veterinary certificate stating health reason for cancellation.
2. All out-of-state sheep and goats are required to have a Certificate of Veterinary Inspection, with a statement saying they are free of clinical signs of sore mouth, foot rot and caseous lymphadenitis, and all rams over six months of age require an entry permit number. All sheep must have official Scrapie Identification.

All animals must meet Fair health requirements. Fair veterinary personnel will examine all entries and exhibition animals to insure freedom from ectoparasites and symptoms of contagious or infectious diseases before animals are penned. **Blankets/Covers on sheep must be removed for veterinary inspection.**

Exhibitors must submit vet check-in slip to the Superintendent or designee of their livestock department in order to proceed to livestock barn. **NO EXCEPTIONS.**

Please see the link for the veterinary regulations for out-of-state **exhibitors** in the front of this book.

3. Animals are to be delivered to assigned pens **7am - 12pm on Wednesday, Sept. 20, 2023. Any late arrivals must be cleared with the superintendent, or space will be forfeited at 12pm. Please call the Fair's Competitive Exhibits Office, 253-841-5074 if you will be late or will be scratching your entry. Due to space constraints, penning will be very full for 2023. There will be a waiting list managed by the superintendent.**

PLEASE...Check your registration papers with the superintendent or staff AS SOON AS POSSIBLE AFTER YOUR SHEEP ARE STABLED.

4. All animals must remain in barns until their designated release time as set by The Fair and department superintendents. Failure to do so could result in forfeiture of premium money and, potentially, the privilege to show at future livestock shows.
5. Sheep must be removed from pens after 10pm on Sunday, Sept. 24, 2023 or **by 12pm, Monday, Sept. 25, 2023.** Any arrangements made by exhibitors for sale or delivery of animals must be transacted off the grounds, and sheep cannot be left in pens for pick up.

6. Straw for bedding and hay will be provided by The Fair. First straw will be in the barn. The hay and straw storage shed will not be open to exhibitors.

NOTE: The superintendent recommends exhibitors bring first night's feed with them. Hay and straw bales shall not be used for purposes other than feed and bedding.

7. Exhibitors will receive four one-day gate passes for each five head entered.
8. SHEEP MAY NOT BE BLANKETED BETWEEN 9AM AND 10PM, EXCEPT BEFORE THEY ARE SHOWN.
9. **All sheep and goats (including lambs and kids over 60 days) must be registered by the appropriate association and have ownership recorded in the name of the exhibitor no less than 30 days before show date.** All entries, if required by the breed association, must have the ear tag of the breed association in ear. Sheep must have an ear tag or tattoo matching at least one number on their registration papers
10. Animals must be entered and shown in the name of the registered owner.
11. There will be a limit of two premiums in the individual classes, and one premium in the group classes, per exhibitor. An exhibitor is defined as any individual or farm or partnership in whose name the sheep is registered.
12. The base date for birth dates shall be Sept. 1. Animals must show appropriate lamb or yearling teeth. If there is a doubt of the age of any animal, the judge will decide age by examining the teeth of that animal.
13. LAMBS WILL BE DIVIDED INTO FALL AND SPRING DIVISIONS, EXCEPT WHERE NOTED (i.e. Specials). DATES ARE AS FOLLOWS:
For the following breeds:
Columbia - Corriedale - Dorset - Shropshire
Hampshire - Rambouillet - Suffolk - Southdown
Horned Dorset - Merino - Romeldale - Natural
Color B (fine) - Katahdin
Fall Lambs: Sept. 1 - December 31
Spring Lambs: January 1 - August 31
All other breeds are:
Fall Lambs: Sept. 1 - January 31
Spring Lambs: February 1 - August 31
An individual exhibitor may enter a total of eight sheep per breed, whatever sex or age; lamb or yearling.
14. All sheep and goats entered in young flock, get-of-sire, or pair lots must also be entered in an individual lot. Get-of-Sire and Young Flock must be bred and owned by the exhibitor. One "BEST PAIR" entry per exhibitor, per breed.

15. Any breed with only one exhibitor will automatically go into Division 716 "OTHER WOOL BREEDS" or Division 731 "OTHER MEAT BREEDS". PLEASE CHECK POSTED SHOW SCHEDULE TO CONFIRM WHEN 'OTHER' BREEDS ARE TO BE SHOWN.
16. PLEASE NOTE: NCWGA has Class Divisions A & B. Animals for group classes may not be interchanged between divisions A and B to create a Best Pair, Young Flock, Flock, etc. They must be shown in the division in which the individual animal was entered.
17. All sheep and goats should be clean and well fitted. **Animals should be fit in accordance with individual registry association rules.** Animals not in show-worthy condition will not be allowed in the barn.
18. All judges' decisions will be final. Judges may disqualify any entry for just cause, and may reassign entries to categories as seem proper to the judge.
19. Winners of "Young Flock" must show in the competition for the Washington State Cup. When showing in all other breeds, each breed is expected to show in the Washington State Cup event.
20. Open class exhibitors must make their own arrangements for accommodations.
21. **Animals may not be walked on or off the grounds** because of serious environmental concerns directly related to animal waste. Any animal (except horses) that cannot be transported in a solid bottom carrier must be removed in a truck, trailer, or similar conveyance.
22. **Eating in the barns vs. E. coli O157:H7 – Exhibitor Cooperation Needed.** Again this year our barns will not only have signage reminding Fair guests to "Wash your hands upon leaving any livestock area", but also "Please refrain from eating in livestock areas".

The State Health Department has asked the Fair to request that our livestock exhibitors set an example for Fair guests and refrain from eating in most areas of the barns.
