IMPORTANT MESSAGE FROM THE FAIR:

In-State Poultry Exhibitor Requirements:

It is **REQUIRED** that all domestic poultry flocks (chicken, guinea, pheasant, quail, peafowl, turkey, exotic fowl and game birds) **MUST TEST NEGATIVE FOR PULLORUM-TYPHOID (PT)** within 90 days prior to the Fair. Only one bird in your flock needs to be tested. Doves and pigeons are exempt from this rule.

If you do not have a veterinarian who will perform the PT testing, the link below will help you find one.
<http://www.poultrydvm.com/poultry-vets.php>

Testing can be performed by your local veterinarian or find out how to submit a testing sample to WSFA below.

<https://www.wastatefairs.com/p/about-us/news/fair-health/salmonella-pullorum-typhoid-testing-at-fairs>

It is required to present your negative test result to the check-in veterinarian upon arrival.

The Washington State Fair is welcoming the poultry back to the Fair.

The Fair will have a safety protocol in place for the 2023 Fair season to reduce the risk of avian flu spreading including, but not limited to, the non-acceptance of waterfowl.

IMPORTANT INFORMATION FOR POULTRY EXHIBITORS

In 2008, it became mandatory that all poultry going to exhibit be P-T tested 90 days prior to going to exhibit as stated in WAC 16-59-030.

 5. **There will be no substitutions, except for 6 band number.**
 6. No exhibitor will be allowed to bring birds into the showroom unless entry fees have been paid in full. This rule is necessary so that exhibitors from a distance may have the same opportunity as the home breeder.
 7. When you are entering online, care should be taken to clearly state sex, age, variety, number of specimens, name of exhibitor and LEG BAND NUMBER TO BE USED AT TIME OF ENTRY. If you do not have bands leave space blank and you can get them at check in and add to the entry at that time.

A cock and two hens will constitute an old trio. A cockerel and two pullets will constitute a young trio. Old and young trios will not compete against each other.
 10. All birds are in the charge of the superintendent of the Poultry Department during The Fair and cannot be

removed without their consent. No one is allowed to handle birds other than their owner.

11. No information regarding the number of entries in varieties will be given out in advance of the opening of The Fair.
12. "FOR SALE" cards will NOT be permitted on coops, in the barn, or on Fair property. No sale of birds will be allowed on Fair property. Those disregarding this rule will have their premiums forfeited.
13. The latest edition of "American Standard of Perfection" will be the guide for the judges in awarding the prizes for all varieties listed. Other varieties will be judged by the club standards.
14. Because of the season of the year when the show is held, it will be judged by comparison. The decision of the judges shall be final.
15. Exhibitors will not be allowed to display any premiums on their coops. This rule is necessary so that the public will not be misled by awards from other shows.
16. DO NOT SEND IN OR PLACE NAME CARDS ON DISPLAY COOPS. NOTHING IS TO BE PLACED ON THE DISPLAY COOPS.
17. The judge will not award a first prize on any specimen unless it is worthy.
18. The Washington State Fair reserves the right to place two females in one coop in case entries are in excess of accommodations.
19. No special privileges, such as giving one bird or one pen larger coop space than other birds or pens of the same variety, will be granted. The Washington State Fair reserves the right of prominently cooping or featuring any bird of special importance to the show.
20. All young birds exhibited must be 16 weeks of age or older, or will be banned from competition.
21. Birds shown as single specimens will not be eligible to form a part of a trio/pen.
22. Exhibitors are not permitted to talk to judges while they are judging.
23. **NOTE:** Electrical appliances which draw more than 200 watts, used for personal convenience of exhibitors (kettles, coffee pots, space heaters, air conditioners, hot plates, etc.) are not allowed without permission. A costly power failure can result from overloading circuits.

24. **Eating in the Barns vs. E. coli O157:H7 – Exhibitor Cooperation Needed.**

Our barns will not only have signage reminding Fair guests to "Wash your hands upon leaving any livestock area," but also "Please refrain from eating in livestock areas."

The State Health Department has asked The Fair to request that our livestock exhibitors set an example for Fair guests and refrain from eating in most areas of the barns. In order to accommodate the Health Department's request as well as address our exhibitor's needs, we have set aside an area, screened from public view, in the south end of the dairy barn where exhibitors may eat.

25. Please remove all your items from the barn after set up. Carriers, bags, brushes, etc. are not allowed to be left in the barn.
26. If you do not see your breed or variety, please contact the Fair BEFORE the online entry closes, as no changes will be allowed afterwards.
27. Participants will receive one pass for everyday their bird(s) are in The Fair.
