SPRING FAIR JR/SR HIGH SCHOOL ART SHOW

APRIL 11-14 & 18-21, 2024

The Washington State Fair Spring Fair is pleased to offer young artists from the Northwest an opportunity to showcase their best work at the 34th annual Junior/Senior High School Art Show. Students, **grades 6-12 enrolled in a middle school, junior high, high school or homeschool equivalent**, are invited to participate in what many consider to be the area's most prestigious show for the artistic community's younger generation.

[See Calendar on page 2 for entry dates.](#)

JR/SR HIGH SCHOOL ART SHOW ENTRY GUIDELINES

- All work must be done exclusively by the student entrant, **enrolled in a middle school, junior high, high school or homeschool equivalent**, within the current school year.
- All work should be designated by the student with their **name and title on the back**, prior to arrival. Remove all name tags from prior shows.
- **ONE PIECE PER DIVISION -** Students will be allowed to enter one piece per division (aka medium) per student. This means that students can enter up to seven (7) pieces of artwork (and one extra piece in any division for those students in grades 11 or 12 entering the Korum Family Art Scholarship).
- For the protection of your work, all **entries must be delivered in a portfolio or protective container**. School and teacher names must be printed clearly on the outside of portfolios and containers.
- Register entries online for each piece of artwork (see page 3 for instructions.) **We cannot guarantee against spelling errors. Please type carefully and use proper case for names and titles** when registering entries online; this is the source for both display tags and catalog.
- **All work must stay in the show the full run of the Spring Fair, April 11 – 14 & 18 - 21, 2024.**
- Entries received by mail for Jr/Sr High Art Show **will not** be returned by mail or common carrier (**except Korum Scholarship pieces**). Artwork pick up date is Tuesday, April 23, 10am - 7pm.
- **All work must be titled!** "Untitled" is not allowed as a title in the show. Untitled work will be retitled under the discretion of the superintendent or rejected at check-in.

We encourage that titles should be unique, individual and short in length.

- Artwork must be suitably matted with posterboard, mattboard or foam core board and ready to hang. **Frames are not allowed.** Work not properly assembled or that becomes disassembled during hanging will not be displayed. All works should be matted as one individual unit.
- Stretch canvas will be accepted. The canvas edges/sides must be painted.
- Entries may be moved to a different class/division by the show management if the artwork is incorrectly entered in a class/division
- **All artwork entered must not exceed 40"**, one width and one length. (ex: 20" W + 20" L = 40").
- **NOTE: 3-D entries** need to have a stable base, to be displayed on a flat surface. Artwork such as masks, mobiles and collages must be designed to hang. Hanging weight may not exceed 10 lbs.
- Any work deemed too heavy for safe display will not be accepted, at the discretion of show management.
- Original artwork needs to be present at the show. We will not accept photos or replicas of the artwork.
- All pencil, charcoal, chalk and pastels must be fixed or sealed. **All work must be dry at take-in.**
- Although every precaution will be made to protect the art pieces, the Washington State Fair will not be responsible for theft, loss or damage to entries.
- The Fair reserves the right to reject any work it finds objectionable.

JUDGING & AWARDS

The Fair wishes to recognize the effort our region's young artists put into their work. The judging and award structure is designed to encourage:

- overall program participation
- quality of work
- a diverse representation of the region's student artwork

JUDGING AND RIBBONS

Artwork will be evaluated by grade level (6-8 & 9-12) within each division and class, and judged on the following criteria:

- use of medium
- originality / creativity
- composition / design
- technical / craftsmanship

Judges will select the placing for each class and the Best of Show for each division.

Each class may have a first, second, third and honorable mention placing/ribbon. There will also be 1st, 2nd and 3rd **Best of Division** rosettes given to those students who are the overall most outstanding in each division (one for Middle/Jr.'s and three for Senior's). Some divisions/classes may not have entries or win awards. Up to 10 ribbons will be awarded for Most Patriotic art pieces.

PARTICIPATION AWARDS

To encourage a diverse field of competition, participating schools and individual students will have the opportunity to win cash awards.

School Participation Awards:

Participation premiums will be awarded based on minimum participation requirements, and evaluated on: number of entries submitted, placings awarded, and percentage of participation in total show. An art teacher (*program coordinator*) will be eligible for a \$100 cash premium, to be used for the arts at their school, based on participation and award points (limit of one cash premium per teacher). Up to 10 cash premiums are given for High Schools and 10 for Junior High / Middle Schools.

Student Awards :

Within each division, there will be cash awards given to **three senior high and three jr/middle school students** who's art is the overall best in each division.

Flush Mounting Your Prints

For mounting prints please use regular picture mat board, no thicker than 1/8", such as that available at art and craft supply stores. Thick mounting board or foam core board is **NOT** acceptable.

Prints entered in our exhibition require **FLUSH MOUNTING**. Flush mounting means that the mounting board is the exact same size as the photographic print.

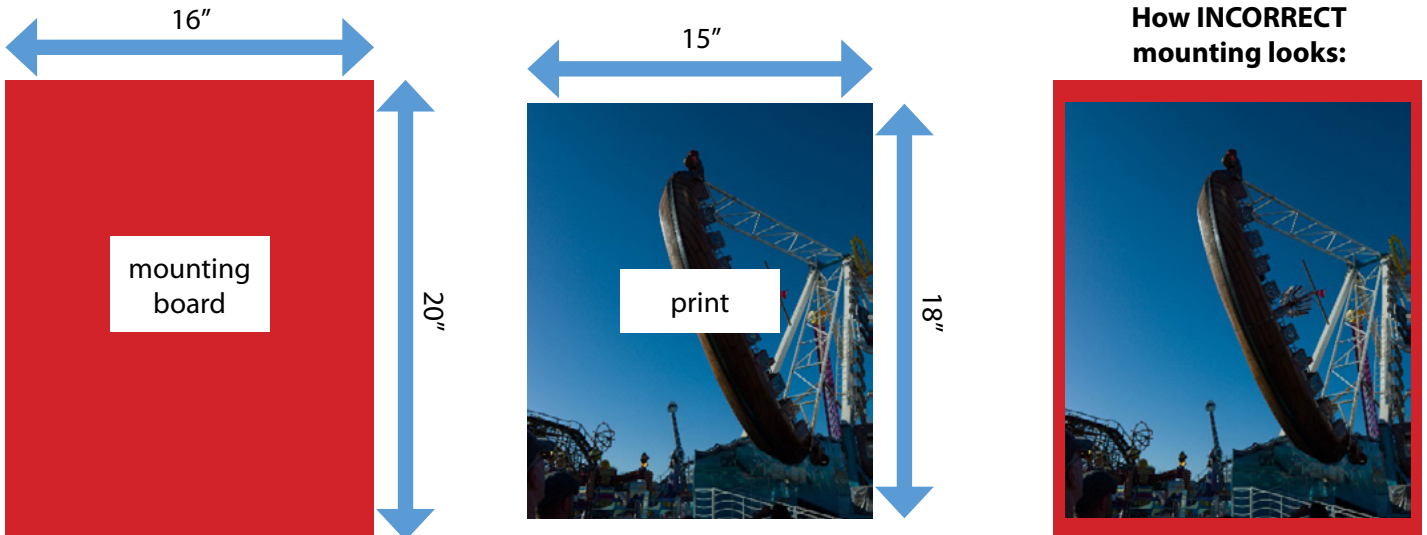

Example of CORRECT mounting:

Regardless of the size print that is entered, the mounting board and the print must be the same dimensions. So, if the print measures 8" x 11¼" it must be mounted on a board that measures 8" x 11¼".

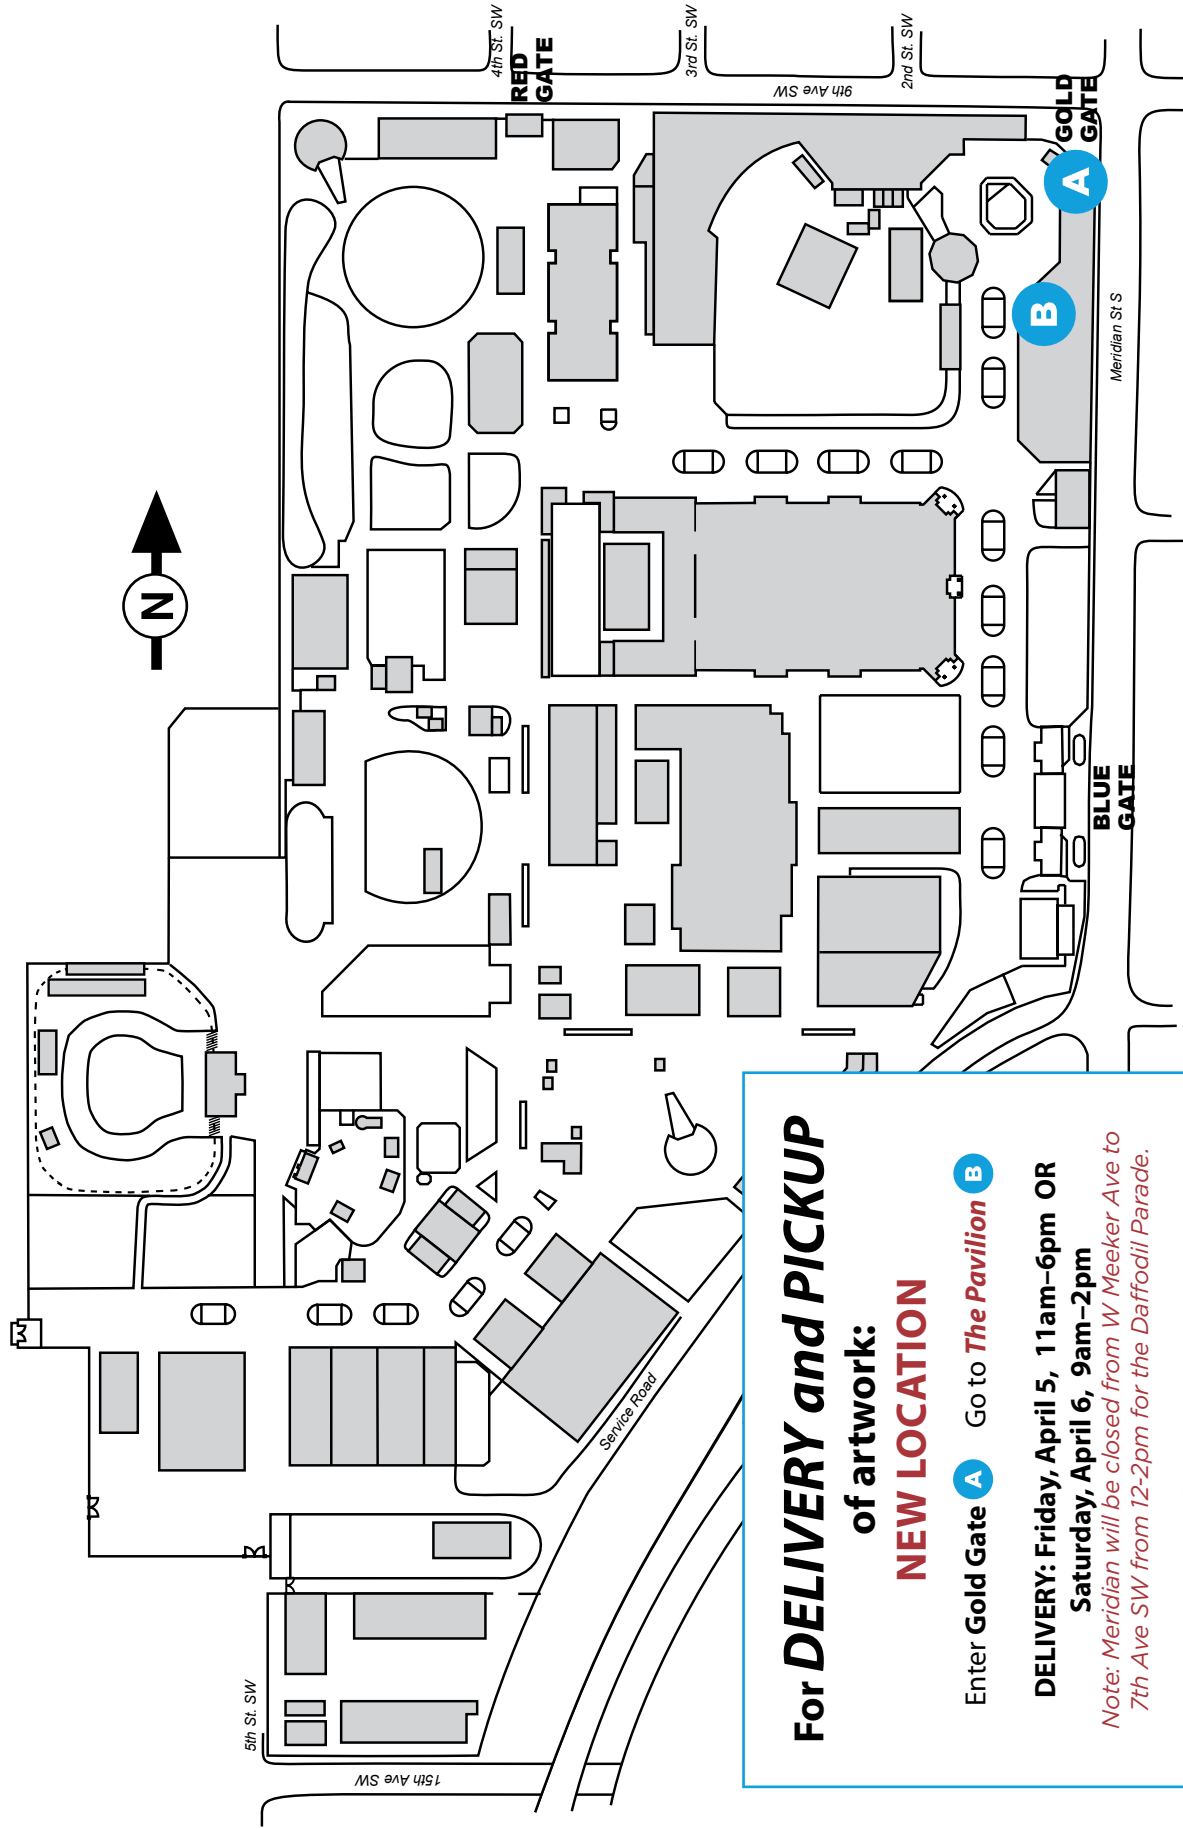

Mounting must **not** exceed print dimensions and prints must **not** have an overlying mat.

Example of INCORRECT mounting that is NOT ACCEPTABLE:

The example above would be disqualified. The mount board is larger than the print and is not considered a "flush mount."
