

###

Lightcast is a global leader in labor market intelligence, empowering smarter decisions for businesses, education institutions, and governments worldwide. With the world's most comprehensive database—spanning over 3 billion job postings, 1.2 billion career profiles, and 100+ government sources—Lightcast delivers unparalleled insight into skills, jobs, companies, professional profiles, and workforce trends across 165 countries. Our proprietary taxonomies, advanced AI, and expert guidance transform complex data into clear, actionable intelligence.

Recognized in TIME's 2026 America's Top WorkTech Companies and regularly featured in the NY Times, WSJ, Forbes, and CNBC, Lightcast is widely regarded as the go-to source with the leading data and definitive insights on AI, skills, and demographic shifts.

Lightcast has offices in the United States, United Kingdom, Canada, Italy, New Zealand, and India. Learn more at [lightcast.io](https://lightcast.io)
