OVERVIEW

The Board and management of Syrah Resources Limited (**Syrah** or the **Company**) is committed to ensuring the Company has an appropriate corporate governance framework to protect and enhance the Company's performance and overall shareholder value.

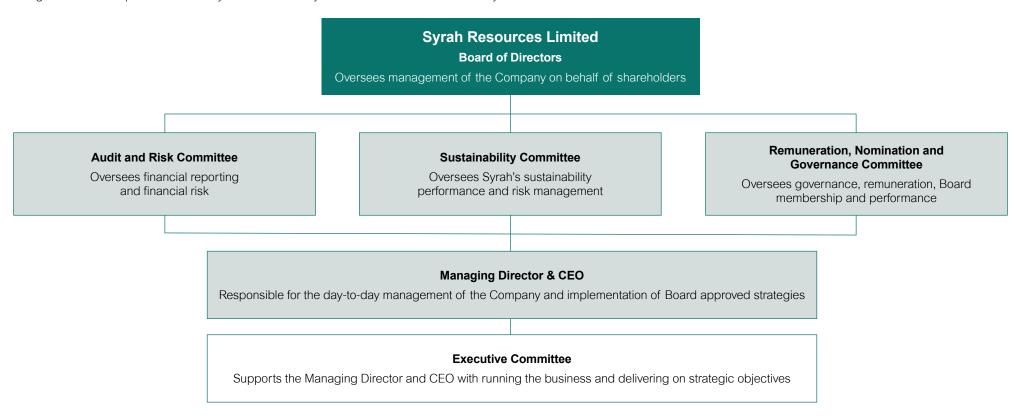

The ASX Listing Rules require listed companies to prepare a statement disclosing the extent to which they have complied with the recommendations of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations, 4th Edition (**ASX Recommendations**) during the reporting period. The ASX Recommendations are not prescriptive, such that if a company considers a recommendation to be inappropriate having regard to its own circumstances, it has the flexibility not to follow it. Where a company has not followed all the Recommendations, it must identify which ASX Recommendations have not been followed and provide reasons for not following them.

This Corporate Governance Statement discloses the extent to which the Company has followed the ASX Recommendations, or where appropriate, indicates a departure from the Recommendations with an explanation. This Statement should be read in conjunction with the material on our website http://www.syrahresources.com.au/corporate-governance, including the 2020 Annual Report and all of the Company's policies contained herein.

Information in this statement is current as at the date of this statement unless otherwise noted.

GOVERNANCE STRUCTURE

The governance and performance of Syrah is overseen by the Board of Directors elected by shareholders.

STRUCTURE AND COMPOSITION OF THE BOARD

ASX RECOMMENDATIONS

PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION		
ASX Recommendation 1.1 – Board and Management Roles	Yes	The Board is accountable to shareholders for the performance and corporate governance of the Company. The primary role of the Board is to provide overall strategic guidance and effective oversight of management.		
A listed entity should have and disclose a board		The Board's Charter sets out in detail the Board's key responsibilities:		
charter setting out: (a) the respective roles and responsibilities of its		a) Providing leadership and approving the strategic direction and objectives of the Group and monitoring implementation of the strategic direction and objectives;		
board and management; and (b) those matters expressly reserved to the Board		b) Overseeing the Group, including its control, accountability and reporting systems for monitoring ethical, legal and financial compliance, including monitoring the conduct of external audits;		
and those delegated to management.		c) Overseeing the Group's risk management framework, including setting the risk appetite within which the Board expects management to operate, and periodically reviewing the effectiveness of that framework;		
		d) Approving and monitoring the progress of operating budgets, major capital expenditure, delegations of authority, acquisitions, divestments, capital management decisions and other corporate transactions, including the issue of securities of the Company;		
		e) Overseeing and monitoring the implementation of the Company's corporate governance systems and policies;		
		f) Promoting ethical and responsible decision making by the Group, consistent with maintaining the Group's social licence to operate;		
		g) Monitoring the Company's process for making timely and balanced disclosure of all information required to be disclosed in accordance with the Company's Constitution, applicable Listing Rules, the Corporations Act and other applicable laws and regulations;		
				h) Determining the Company's dividend policy, the amount and timing of all dividends and the operation of the Company's dividend re-investment plan (if any);
		i) Considering appointments to, and the performance and succession of, the Board and the senior executives including:		
		a) Appointing and removing the Managing Director and CEO;		
		b) approving senior executive appointments;		
		c) monitoring and evaluating the performance of individual directors, the Board as a whole, the Managing Director and the senior executives;		
		d) reviewing and approving contractual arrangements, remuneration and benefits of the Non-Executive Directors, the Managing Director and the senior executives, including the Company's remuneration framework;		
		e) reviewing the size and composition of the Board; and		
		f) succession planning for the Board and the Managing Director and CEO and overseeing succession planning for the senior executives.		
		The Board Charter also sets out Board composition, membership and independence, the role and responsibilities of the Chairman, delegation of responsibilities to the Managing Director and to sub-committees of the Board. Details of the standing Board sub-committees are set out in the Overview above.		

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION
ASX Recommendation 1.1 – Board and Management Roles Continued	Yes	As set out in the Board Charter, the Managing Director and CEO is responsible for day to day management and administration of the Group, subject to those matters that the Board has specifically reserved for its decision.
		With the support of the Executive Committee, the Managing Director and CEO manages Syrah in accordance with the Board-approved corporate strategic objectives, plans, budgets and risk appetite set by the Board. A detailed delegated authorities policy prescribes the decision making and expenditure limits which apply at various levels of management.
		A copy of the Constitution, Board Charter and standing sub-committee Charters are available on the Company's website at www.syrahresources.com.au .
ASX Recommendation 1.2 – Appointment of Directors	Yes	Prior to appointing a new director or putting forward to security holders a candidate for election as a director, the Board ensures that appropriate checks are undertaken to determine the candidate's suitability, including checks
A listed entity should:		regarding character, experience, education, criminal record and bankruptcy history. The Board is assisted in this process by the Remuneration and Nomination Committee, as described in the Committee Charter available on the
(a) undertake appropriate checks before appointing		Company's website.
a director or senior executive or putting someone forward for election, as a director; and		When an existing or potential new director is put forward for election or re-election, all material information in the Company's possession is disclosed in the Notice of Meeting sent to security holders to enable them to make an
(b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.		informed decision on whether or not to elect or re-elect an existing or potential new director.
ASX Recommendation 1.3 – Appointment Terms	Yes	All Non-Executive Directors have entered into a service agreement with the Company setting out:
A listed entity should have a written agreement with each director and senior executive setting out the		a) the term of the appointment, which is consistent with the processes in the Constitution, the Corporations Act 2001 (Cth) and the ASX Listing Rules;
terms of their appointment.		b) the time commitment envisaged, including any expectations regarding involvement with committee work and any other special duties attaching to the position;
		c) remuneration, including superannuation entitlements;
		d) the requirement to disclose directors' interests and any matters which may affect the director's independence;
		e) the requirement to comply with the Company's Securities trading policy;
		f) the entity's policy that non-executive directors may seek independent professional advice at the expense of the Company if the director fells such advice necessary for them to discharge their responsibilities and duties as a director;
		g) the circumstances in which the director's office becomes vacant; and
		h) ongoing confidentiality obligations.
		Each director has a Deed of Access, Insurance and Indemnity, under which they are indemnified against liability in connection with their role as a director and Syrah is required to maintain a directors' and officers' insurance policy. The Deed also confirms the director's rights of access to board papers and records.

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION
ASX Recommendation 1.3 – Appointment Terms Continued		Each senior executive, including the Managing Director and CEO, is appointed pursuant to an agreement which sets out a description of their position, duties and responsibilities, reporting lines, remuneration details and the circumstances under which employment can be terminated.
		A summary of key terms of the service agreements for senior executives of the Company are disclosed in the Remuneration Report section of the Company's Annual Report.
ASX Recommendation 1.4 – Company Secretary The Company Secretary of a listed entity should be	Yes	The Company Secretary is accountable directly to the Board, though the Chair, on all matters to do with the proper functioning of the Board.
accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.		The Company Secretary's role includes advising the Board and its committees on governance matters; monitoring tha Board and committee policy and procedures are followed; coordinating the timely completion and despatch of Board and committee papers; ensuring that the business at Board and committee meetings is accurately captured in the minutes; and helping to organise and facilitate the induction and professional development of directors.
		All directors have unfettered access to the Company Secretary and the appointment and removal of the Company Secretary must be made or approved by the Board.
ASX Recommendation 1.5 – Diversity	Yes	The Board and the Company are committed to workplace diversity and creating an inclusive workplace that embraces
A listed entity should:		and values diversity capable of delivering long term shareholder value.
(a) have and disclose a diversity policy;		The Board has overseen the establishment of measurable objectives for driving gender diversity, and to ensure alignment with the Workplace Gender Equality Act and the ASX Corporate Governance Principles and
(b) through its board or a committee of the board		Recommendations. The Company's progress against those measurable objectives is set out below.
set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and		Syrah's gender diversity targets are reviewed on an annual basis as a minimum, and more regularly as deemed necessary to ensure targets are increased in line with organisational growth and development. The Company's Diversity and Inclusion Policy is available at www.syrahresources.com.au .
(c) disclose in relation to each reporting period:		Diversity and inclusion rolley is available at <u>www.syranresources.com.au</u> .
 the measurable objectives set for that period to achieve gender diversity; 		
(2) the entity's progress towards achieving those objectives; and		
(3) either:		
(A) the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or		
(B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act.		

ASX RECOMMENDATIONS COMPLIANCE DETAILED DESCRIPTION ASX Recommendation 1.5 - Diversity Continued If the entity was in the S&P/ASX 300 Index at **STRATEGY KEY PERFORMANCE** ACTUAL the commencement of the reporting period, the **AREA INDICATOR** 2021 2022 2025 (AS AT 31 DEC 2020) measurable objective for achieving gender diversity in the composition of its board should be to have not Board of Representation of women less than 30% of its directors of each gender within a **Directors** on the Board of Directors specified period. of the Company (includes 33% 33% $50\% \pm 10\%$ 33% Managing Director & Chief Executive Officer). Senior Representation of women Leadership in senior leadership Team roles, defined as the Key Management Personnel (CEO. CEO-1 25% 25% $50\% \pm 10\%$ 20% (KMP) of the Company & CEO-2) and KMP direct reports in General Manager level roles and above. Corporate Representation of Including Excluding Group women across Corporate **KMP KMP** $50\% \pm 10\%$ business divisions 50% 54% (Australia and Dubai). Operations Representation of women Balama Vidalia across Twigg Exploration and Mining Limitada Balama 20% Balama 20% Balama 22% (Balama Graphite Operation) and Syrah Vidalia 18% Vidalia 18% Vidalia 20% 15% 14% Technologies LLC (Vidalia Active Anode Material Project). The Company is committed to assessing and selecting employees based on merit to ensure the best, most suitably qualified candidates are appointed on all occasions, whilst simultaneously taking steps to provide supporting infrastructure for diversity and bringing an open-minded approach to the skills and experience required for each role. The Company is not considered a "relevant employer" under the Workplace General Equality Act 2012, as it is not a non-public sector employer with 100 or more employees in Australia for any six months or more of a reporting period.

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION
ASX Recommendation 1.6 – Board Performance Review	Yes	The Board and its sub-committees have an annual review process in accordance with the Board Charter, and supported by the Remuneration, Nomination and Governance Committee in accordance with its Charter.
A listed entity should:		In 2020 this process was conducted internally, facilitated by the Chair of the Remuneration and involved an extensive
(a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and		Board questionnaire and follow up interviews with each Board member to assess Board, Sub-Committee and individual director performance. The results of this process were considered by the Board.
(b) disclose, for each reporting period, whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.		
ASX Recommendation 1.7 – Executive Performance Review	Yes	The performance of all senior executives, including the Managing Director and CEO, are formally reviewed on a semi-annual basis.
A listed entity should:		The Board, in consultation with the Remuneration and Nomination Committee, is responsible for evaluating the
(a) have and disclose a process for evaluating the		performance of the Managing Director and CEO.
performance of its senior executives at least once every reporting period; and		Senior executives are evaluated by the Managing Director and CEO taking into account feedback from the Board and with remuneration results reviewed and approved by the Remuneration and Nomination Committee.
(b) disclose, for each reporting period, whether a performance evaluation has been undertaken in		Performance is reviewed against specific and measurable company and individual performance measures which are designed to facilitate achievement of the Company's objectives whilst appropriately managing its risks.
accordance with that process during or in respect of that period.		A performance evaluation of all senior executives including the Managing Director and CEO, was undertaken during Q3 2020 and Q1 2021.

PRINCIPLE 2: STRUCTURE THE BOARD TO BE EFFECTIVE AND ADD VALUE

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION
ASX Recommendation 2.1 – Nomination Committee	Yes	The Remuneration, Nomination and Governance Committee has three members, all of whom are non-executive and a majority are independent directors. The Committee is Chaired by an independent director who is not the Chair of the
The board of a listed entity should:		Board.
(a) have a nomination committee which:		The Remuneration and Nomination Committee charter is available at www.syrahresources.com.au .
(1) has at least three members, a majority of whom are independent directors; and		An overview of the Committee membership, responsibilities, qualifications and experience is provided above under "Overview".
(2) is chaired by an independent director, and disclose:		The Committee composition, meeting details, former committee members and attendances are set out in the Annual Report.
(3) the charter of the committee;		All Committee members attended each meeting as set out in the 2020 Annual Report during the 2020 year.
(4) the members of the committee; and		
(5) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or		
(b) if it does not have a nomination committee, disclose that fact and the processes it employs to address board succession issues and to ensure that the board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively.		
ASX Recommendation 2.2 – Skills Matrix	Yes	The Board Skills Matrix is set out above under Overview.
A listed entity should have and disclose a board skills matrix setting out the mix of skills that the board currently has or is looking to achieve in its membership.		

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION
ASX Recommendation 2.3 – Independent Directors	Yes	The Company has conducted a review of director independence in accordance with the assessment criteria set out in the ASX Recommendations. The results of that assessment are set out in the Overview above.
A listed entity should disclose:		The length of service of each director is set out in the Overview above.
(a) the names of the directors considered by the board to be independent directors;		
(b) if a director has an interest, position or relationship of the type described in Box 2.3 but the board is of the opinion that it does not compromise the independence of the director, the nature of the interest, position or relationship in question and an explanation of why the board is of that opinion; and		
(c) the length of service of each director.		
ASX Recommendation 2.4 – Majority Independence	Yes	The majority of the Board are independent non-executive directors.
A majority of the board of a listed entity should be independent directors.		
ASX Recommendation 2.5 – Independent Chair	Yes	The Company's Chairman, Mr Askew, is an independent non-executive director who is not the same person as the
The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.		Company's Managing Director and CEO, Mr Verner.
ASX Recommendation 2.6 – Induction, Education and Training	Yes	Overseen by the Remuneration, Nomination and Governance Committee the Company has induction programs for new directors to gain an understanding of:
A listed entity should have a program for inducting new directors and for periodically reviewing whether there is a need for existing directors to undertake professional development to maintain the skills and knowledge needed to perform their role as directors effectively.		a) the respective rights, duties and responsibilities and roles of the directors and the Board; and
		b) the Company's financial position, strategies, operations and risk management policies.
		Each new director has the opportunity to meet with existing Board members and relevant senior executives.
		Directors have the opportunity to undertake courses with the Australian Institute of Company Directors or other professional bodies as required, subject to the approval of the Chairman.
		All Board members are expected to maintain the skills required to discharge their roles.

PRINCIPLE 3: INSTIL A CULTURE OF ACTING LAWFULLY, ETHICALLY AND RESPONSIBLY

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION
ASX Recommendation 3.1 - Values A listed entity should articulate and disclose its values.	Yes	The values of Syrah are disclosed together with the Code of Conduct, Vision and Values and are available on the Company's website www.syrahresources.com.au .
ASX Recommendation 3.2 – Code of Conduct A listed entity should: (a) have and disclose a code of conduct for its directors, senior executives and employees; and (b) ensure that the board or a committee of the board is informed of any material breaches of that code.	Yes	Syrah Resources is committed to maintaining international performance standards for corporate governance and compliance, through systems and processes which enable employees and contractors to work with integrity and fairness at all times. The Company has a Code of Conduct for directors, senior executives and employees and a number of key supporting policies, including a Whistleblower Policy, Anti-Bribery and Corruption Policy, a Working with Integrity Policy, and Safety Policy, Environment Policy and a Human Rights Policy. Details are set out in the overview above and copies of the policies are available on the Company's website www.syrahresources.com.au .
ASX Recommendation 3.3 – Whistleblower Policy A listed entity should: (a) have and disclose a whistleblower policy; and (b) ensure that the board or a committee of the board is informed of any material incidents reported under that policy.	Yes	Syrah Resources has adopted a Whistleblower Policy that provides a process to ensure that all material matters are reported to the Board or eligible Board or applicable Board subcommittee. Syrah Resources Whistleblower Policy is available on the Company's website at www.syrahresources.com.au .
ASX Recommendation 3.4 – Anti-bribery and Corruption Policy A listed entity should: (a) have and disclose an anti-bribery and corruption policy; and (b) ensure that the board or a committee of the board is informed of any material breaches of that policy.	Yes	Syrah Resources' Anti-Bribery and Corruption Policy was approved for use by the Board of Directors in March 2015, amended in May 2019 and January 2020, and will be reviewed for accuracy, relevance and reporting on an annual basis by the Audit & Risk Committee and currently is disclosed and available on the Company's website at www.syrahresources.com.au The Audit & Risk Committee will receive annual reports on the Company's compliance with this Anti-Bribery and Corruption Policy. Significant or urgent matters will be escalated to the Committee on an expedited basis, as determined by the Managing Director and CEO in the first instance. This Committee is also responsible for all gifts, meals and entertainment must be appropriate and entered into the gift register. If greater than AUD250, the gift will be subject to review by the Audit & Risk Committee. Syrah Resources Anti-Bribery and Corruption Policy is available on the Company's website at www.syrahresources.com.au .

PRINCIPLE 4: SAFEGUARD THE INTEGRITY OF CORPORATE REPORTS

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION
ASX Recommendation 4.1 – Audit Committee	Yes	The Audit and Risk Committee has three members, all of whom are non-executive, and a majority are independent
The board of a listed entity should:		directors.
(a) have an audit committee which:		The Committee is chaired by an independent director who is not the same person as the Chair of the Board and is a highly experienced finance professional.
(1) has at least three members, all of whom are non-executive directors and a majority of		The Audit Committee charter is available at www.syrahresources.com.au .
whom are independent directors; and		An overview of the Committee current membership, responsibilities, qualifications and experience is provided above
(2) is chaired by an independent director, who is		under "Overview".
not the chair of the board, and disclose:		All Committee members attended each meeting held during the year.
(3) the charter of the committee;		Meeting details, former committee members and attendances are set out in the Annual Report.
(4) the relevant qualifications and experience of the members of the committee; and		
(5) in relation to each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or		
(b) if it does not have an audit committee, disclose that fact and the processes it employs that independently verify and safeguard the integrity of its corporate reporting, including the processes for the appointment and removal of the external auditor and the rotation of the audit engagement partner.		

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION
ASX Recommendation 4.2 – Management Assurances		Prior to approval of the Company's financial statements the Board receives from the Managing Director and CEO and the CFO a declaration that, in their opinion, the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
The board of a listed entity should, before it approves the entity's financial statements for a financial period, receive from its CEO and CFO a declaration that, in their opinion, the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.		
ASX Recommendation 4.3 – External Auditor	Yes	The Company's external auditor is PricewaterhouseCoopers.
Attends AGM A listed entity should disclose its process to verify the		All Board and Board sub-committee papers are available to the external auditor and they are invited to attend all Audit and Risk Committee meetings and are available to the Audit and Risk Committee members at any time.
integrity of any periodic corporate report it releases to the market that is not audited or reviewed by an external auditor.		As required by the Corporations Act the external auditor attends all Annual General Meetings (AGMs) and is available to answer questions from security holders relevant to the audit, their report and independence, and the accounting policies adopted by the Company.
		Syrah verifies the integrity of any period corporate report it releases to the market that is not audited or reviewed by an external auditor, such as quarterly reports, by ensuring financial and production data disclosed to the market is always aligned to monthly Executive Committee reports, which are reviewed by relevant General Managers, Executive Committee and circulated to the Board. The financial information in the Executive Committee reports are sourced directly from the Enterprise Resource Planning (ERP) system and the ERP data is subject to the annual and half-year financial audits and reviews. The Audit and Risk Committee Charter describes the oversight functions of the Committee of Company policies, procedures and practices which produce these reports. Also refer to the management assurances referred to in recommendation 4.2.

PRINCIPLE 5: MAKE TIMELY AND BALANCED DISCLOSURE

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION
ASX Recommendation 5.1 – Continuous	Yes	The Company's Continuous Disclosure Policy is available on the Company's website at www.syrahresources.com.au .
Disclosure Policy A listed entity should have and disclose a written policy for complying with its continuous disclosure obligations under listing rile 3.1.		This Policy sets out the roles and responsibilities of directors, the Executive Committee and all employees in relation to continuous disclosure as well as the Company's obligations under the ASX Listing Rules and the Corporations Act. The Policy also provides procedures for internal notification and external disclosure, as well as procedures for promoting understanding of compliance with the disclosure requirements.
		The Board has overall responsibility for compliance with Syrah Resources' continuous disclosure obligations and Board approval is required for certain key matters (as set out in the policy) and other matters may be referred to the Board by the Managing Director or the Company Secretary. All other matters may be approved by the Managing Director.
		The Continuous Disclosure Policy is periodically reviewed by the Board to ensure that it is effective and remains consistent and current with relevant laws and ASX requirements.
ASX Recommendation 5.2 – Market Announcements	Yes	The Board reviews and approves market announcements in accordance with its Continuous Disclosure Policy and each Board member is registered to receive external notifications of all ASX announcements. The Company also circulates all price sensitive announcements to the Board ahead of the release being made.
A listed entity should ensure that its board receives		·
copies of all material market announcements promptly after they have been made.	/	The Company discloses these processes in the Company's Continuous Disclosure Policy available on the Company's website.
ASX Recommendation 5.3 – Presentation Materials	Yes	The Company discloses these processes in the Company's Continuous Disclosure Policy available on the website.
A listed entity that gives a new and substantive investor or analyst presentation should release a copy of the presentation materials on the ASX Market Announcements Platform ahead of the presentation.		

PRINCIPLE 6: RESPECT THE RIGHTS OF SECURITY HOLDERS

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION
ASX Recommendation 6.1 – Information and Governance A listed entity should provide information about itself	Yes	The Company's website at www.syrahresources.com.au contains key information about the Company and its corporate governance practices and policies, its social responsibility programs and policies, as well as biographies of the Board members, Company Secretary and senior executives.
and its governance to investors via its website.		The Company also maintains a separate investor page on its website to provide shareholders with links to annual and interim reports, ASX announcements, presentations and other key information.
ASX Recommendation 6.2 – Investor Relations	Yes	The Company has a dedicated General Manager – Business Development and Investor Relations.
Program		Syrah Resources' investor relations program includes:
A listed entity should have an investor relations program that facilitates effective two-way communication with investors.		a) regular roadshows by the Managing Director and CEO and other relevant senior executives to meet with existing and potential investors in Australia and internationally;
communication with investors.		b) regular investor conference calls following the release of quarterly results, which include time for investor questions and answers. Calls are open to investors, media and analysts;
		c) the investor relations team contact details are provided on each ASX announcement and investor queries are responded to by telephone and email;
		d) annual engagement with proxy advisers and corporate governance advisers of major shareholders; and
		e) attendance by senior executives and other relevant employees at industry events and functions to enable investors to communicate directly with the Company.
ASX Recommendation 6.3 – Shareholder participation at AGMs	Yes	The Board encourages full participation of shareholders at the AGM, to ensure a high level of accountability and identification with the Company's strategy and goals.
A listed entity should disclose how it facilitates and encourages participation at meetings of security holders.		Prior to the AGM the Company issues a Notice of Meeting, Explanatory Statement and Proxy Form to provide all the information that is relevant to shareholders in making decisions on matters to be voted on at the meeting. Shareholders may elect to receive communications electronically.
		Details regarding the timing and location of the Company's General Meetings or Annual General Meeting are disclosed to the ASX in advance to encourage attendance by shareholders.
		Time is also set aside at the AGM for the Board and Senior Executives to respond to any shareholder queries.
ASX Recommendation 6.4 – Resolutions by Poll	Yes	The Company conducts all voting processes through a poll rather than a show of hands. The Company conducted all
A listed entity should ensure that all substantive resolutions at a meeting of security holders are decided by a poll rather than by a show of hands.		resolutions via a poll at its 2020 Annual General Meeting.

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION
ASX Recommendation 6.5 – Electronic Communications	Yes	Shareholders have the option of electing to receive communications from and sending communications to the Company and its share registry electronically.
A listed entity should give security holders the option to receive communications from, and send communications to, the entity and its security registry electronically.		Syrah Resources actively encourages its shareholders to take up the benefits of electronic communications.

PRINCIPLE 7: RECOGNISE AND MANAGE RISK

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION
ASX Recommendation 7.1 – Risk Committee	Yes	The Audit and Risk Committee has three members, all of whom are non-executive and a majority are independent
The board of a listed entity should:		directors.
(a) have a committee or committees to oversee risk,		The Committee is Chaired by an independent director.
each of which:		The Audit and Risk Committee charter is available at www.syrahresources.com.au .
(1) has at least three members, a majority of whom are independent directors; and		An overview of the Committee membership, responsibilities, qualifications and experience is provided above under "Overview".
(2) is chaired by an independent director,		Meeting details, former committee members and attendances are set out in the Annual Report.
and disclose:		
(3) the charter of the committee;		
(4) the members of the committee; and		
(5) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or		
(b) if it does not have a risk committee or committees that satisfy (a) above, disclose that fact and the processes it employs for overseeing the entity's risk management framework.		

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION
ASX Recommendation 7.2 – Risk Framework Review	Yes	The Company's Risk Management Framework is reviewed annually, and a review was conducted in Q4 2020, with continuous improvements arising from that review implemented.
The board or a committee of the board should:		The Board retains active oversight of the risk management process, including the risk reporting framework,
(a) review the entity's risk management framework at least annually to satisfy itself that it continues to		material risks and material changes to risks. The Audit and Risk Committee provides detailed oversight of the Risk Management Framework and associated processes.
be sound and that the entity is operating with due regard to the risk appetite set by the board; and		Accountabilities and responsibilities for risk management are clearly defined and the Executive Committee, the Board and its relevant sub-committees regularly review the detail of the Company's risks, the effectiveness of mitigation
(b) disclose, in relation to each reporting period, whether such a review has taken place.		strategies and key priorities for further risk management.
ASX Recommendation 7.3 – Internal Audit	Yes	The Company does not presently have an internal audit function. The Audit and Risk Committee ("Committee") have
A listed entity should disclose:		primary responsibility for oversight of the internal controls in place to detect and deter any activity contrary to its policy.
(a) if it has an internal audit function, how the function is structured and what role it performs; or		Other internal management and independent assurance mechanisms used to evaluate and continually improve risk management and internal control processes include:
(b) if it does not have an internal audit function, that fact and the processes it employs for evaluating		a) regular "peer review" of risk mitigation strategies and internal controls by the Executive Committee;
and continually improving the effectiveness of its governance, risk management and internal control processes.		b) engaging independent experts to review the design, development and/or implementation of control systems or processes for specific areas of risk including health and safety, environment, community, crisis management, security and protection of assets; and
		c) feedback from the external auditors on internal financial controls.
		The results of internal management and independent expert reviews are shared with the Board and its relevant committees and progress in relation to the implementation of enhancements are monitored.
ASX Recommendation 7.4 – Economic and	Yes	The Company's potential material risks are set out in the Annual Report.
Sustainability Risks A listed entity should disclose whether it has any		The Company manages its potential material risks through the risk management framework and processes set out above under Recommendation 7.2.
material exposure to environmental or social risks and, if it does, how it manages or intends to manage those risks.		Health and Safety, Environment and Social Sustainability are covered by the Policies set out in the Overview above. A copy of those policies us available on the Company's website at www.syrahresources.com.au . There are comprehensive internal processes and programs of work, including regular monitoring and reporting, in place to manage those risks.
		The Company's exposure to material economic risks are considered, managed and monitored by a number of business functions and processes including:
		a) business strategy setting and planning;
		b) market and industry analysis;
		c) macro-economic analysis including global and country specific risks, trends and factors; and
		d) financial and capital management.

PRINCIPLE 8: REMUNERATE FAIRLY AND RESPONSIBLY

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION
ASX Recommendation 8.1 – Remuneration Committee	Yes	The Remuneration, Nomination and Governance Committee has three members, all of whom are non-executive, and a majority are independent directors.
The board of a listed entity should:		The Committee is chaired by an independent director who is not the same person as the Chair of the Board.
(a) have a remuneration committee which:		The Committee charter is available at www.syrahresources.com.au .
(1) has at least three members, a majority of whom are independent directors; and		An overview of the Committee membership, responsibilities, qualifications and experience is provided above under "Overview".
(2) is chaired by an independent director,		All Committee members attended each meeting as set out in the 2020 Annual Report during the 2020 year.
and disclose:		
(3) the charter of the committee;		
(4) the members of the committee; and		
(5) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or		
(b) if it does not have a remuneration committee, disclose that fact and the processes it employs for setting the level and composition of remuneration for directors and senior executives and ensuring that such remuneration is appropriate and not excessive.		
ASX Recommendation 8.2 - Remuneration	Yes	The Company has established remuneration policies and procedures to ensure the following:
Policies and Practices A listed entity should separately disclose its policies		a) attract and retain Non-Executive Directors and senior executives and employees who will create value for shareholders; and
and practices regarding the remuneration of non- executive directors and the remuneration of executive directors and other senior executives.		b) fairly and responsibly reward employees having regard to the performance of the Group, the performance of each employee and industry remuneration conditions.
		Details of these policies and procedures are set out in Remuneration Report section of the Company's Annual Report, as are the details of remuneration paid to Non-Executive Directors, the Managing Director and CEO and the Executive Committee. The Remuneration Report highlights the balance between fixed pay, short term incentive and long-term incentives, and the relationship to the Company's performance.
		In Q1 2020 the Company engaged an independent remuneration consultant to provide benchmarking data for key roles including Non-Executive Directors, Managing Director and the Executive Committee, to assist the Company in ensuring that remuneration packages remain competitive. This was not a remuneration recommendation for the purposes of the Corporations Act.
		The Company also undertook internal benchmarking in Q1 2021.

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION
ASX Recommendation 8.3 – Policy on Limiting Economic Risk of Equity Based Remuneration	Yes	The Company has an Equity Incentive Plan (EIP) is part of the Company's remuneration strategy and is designed to align the interests of management and shareholders and assist the Company to attract, motivate and retain executives
A listed entity which has an equity-based remuneration scheme should: (a) have a policy on whether participants are permitted to enter into transactions (whether through the use of derivatives or otherwise) which limit the economic risk of participating in the		and selected senior staff. The Company's Securities Trading Policy specifically prohibits the use of derivatives in relation to unvested Company Securities in a way that would have the effect of providing greater benefit than would otherwise have been realized by the employee. This is because such use of derivatives may allow value to be realized from those Securities even if the relevant performance hurdles have not been met, which would break the intended connection between employee performance and shareholder best interests.
scheme; and (b) disclose that policy or a summary of it.		Use of derivatives is permitted in relation to vested Company Securities (provided that the balance of the Securities Trading Policy is complied with). Under the Corporations Act Key Management Personnel are prohibited from hedging any remuneration that has not vested or has vested but remains subject to a holding lock. A copy of the Securities Trading Policy is available on the Company's website at www.syrahresources.com.au .

PRINCIPLE 9: ADDITIONAL RECOMMENDATIONS THAT APPLY ONLY IN CERTAIN CASES

ASX RECOMMENDATIONS	COMPLIANCE	DETAILED DESCRIPTION
ASX Recommendation 9.1 –		Not applicable to the Company.
A listed entity with a director who does not speak the language in which board or security holder meetings are held or key corporate documents are written should disclose the processes it has in place to ensure the director understands and can contribute to the discussions at those meetings and understands and can discharge their obligations in relation to those documents.		
ASX Recommendation 9.2 –		Not applicable to the Company.
A listed entity established outside Australia should ensure that meetings of security holders are held at a reasonable place and time.		
ASX Recommendation 9.3 –		Not applicable to the Company.
A listed entity established outside Australia, and an externally managed listed entity that has an AGM, should ensure that its external auditor attends its AGM and is available to answer questions from security holders relevant to the audit.
