

Undercabinet Bar Light

Many LED Undercabinet fixtures exist on the market. Why EnVision? We gathered several competitor fixtures and developed a fixture superior to them all. The EnVision undercabinet LED fixture is easy to use and install. Install the fixture by mounting it directly to the surface of the desired location. Simply open the mounting screw cover for easy access and easy installation. With a variety of lengths, colors, and options available, be sure to find the perfect fixture. The light turns on instantly, and is not affected by frequent on/off switching.
