EXT SnapTrim Downlight

5CCT Selectable: 27/30/35/40/50K

4-6" Round

4-6" Square

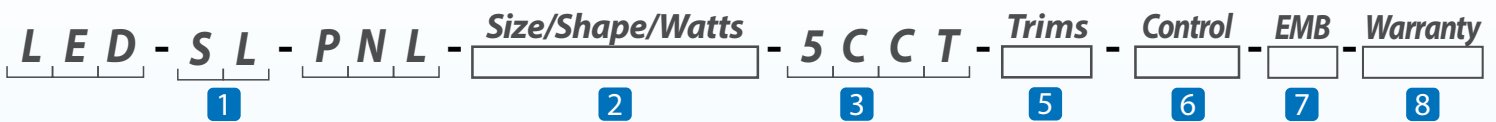

EnVision LED has developed a line of super slim LED downlights that eliminate the need for a can. The external remote junction box mounts inside the ceiling and the fixture is IC Rated. EnVisions EXT SnapTrim downlights feature three interchangeable trims, including black, bronze, and brushed nickel. By reducing material cost and installation time, the EnVision SnapTrim is the ideal retrofit or new construction recessed lighting solution yet. Simply cut a hole in the ceiling, power the J-Box to the wall switch, and "snap" the trim flush. Now with 5 adjustable color temperatures, this fixture is like 5 different fixtures in one!

Applications:

- Retrofitting
- New Construction
- Residential Lighting
- Commercial Lighting

Product Information:

- External j-box & spring mount clips for easy installation
- 5CCT version toggles between 2700k, 3000k, 3500k, 4000k, & 5000k
- Compatible with most dimmers (e.g. Lutron DVCL-153P)
- Spring mount clips make installation easy
- Canless module does not require housing

See pg. 4 for full list of accessories

FEATURES

Durable Aluminum Body

Eliminate heat with a die-cast aluminum heat sink

Quick Connect

Extend distance between driver and fixture

5-Color Selectable

Easily switch between 27/30/35/40/50K color temp

Frosted PC Diffuse

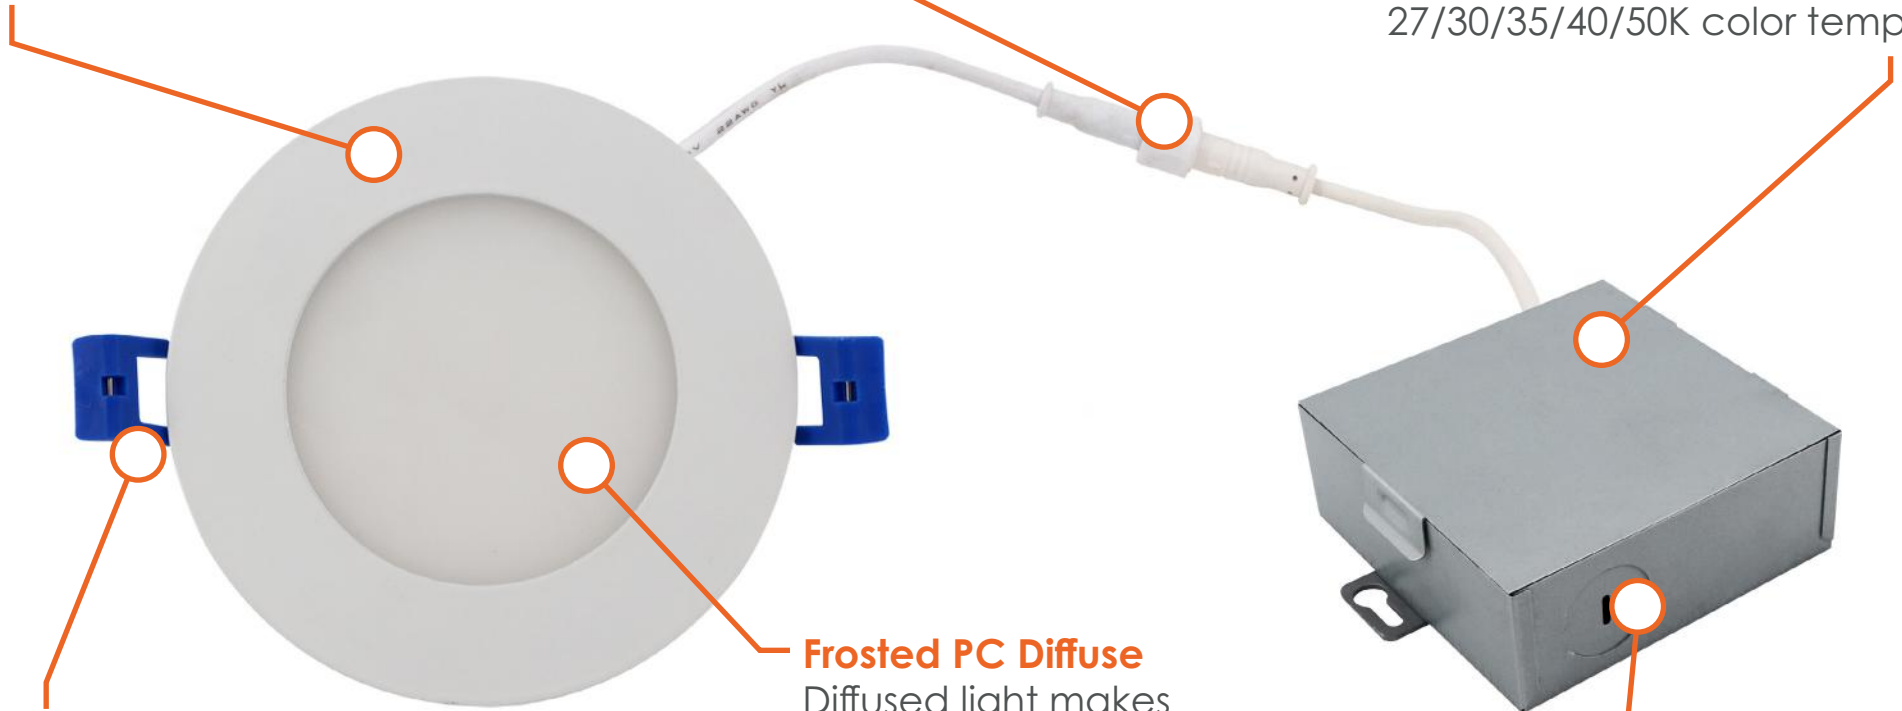

Diffused light makes the recessed downlight easy on the eyes

Knockout

1/2" Knockout makes it easy to connect power to the driver

Easy Installation

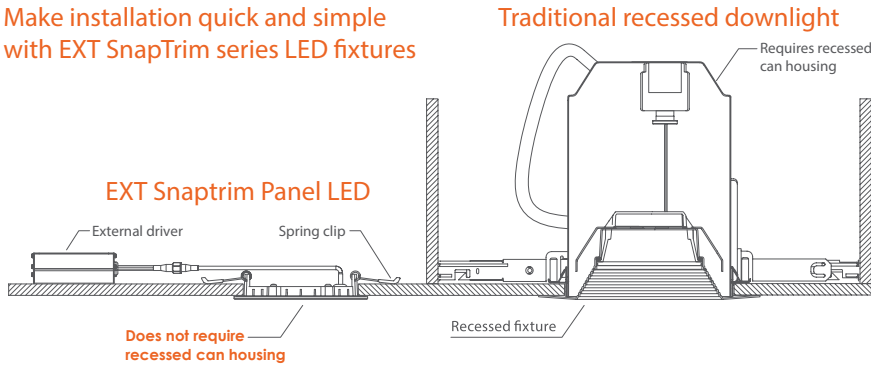

Tension spring clips make for an easy install

INSTALLATION

The slim panel LED redefines recessed downlighting installations. With the narrow design and remote driver box, the panel LED can be installed in confined, hard to reach spaces such as closets, bathrooms, hallways, stairwells, outside soffits and other areas that would have been nearly impossible with traditional recessed housings.

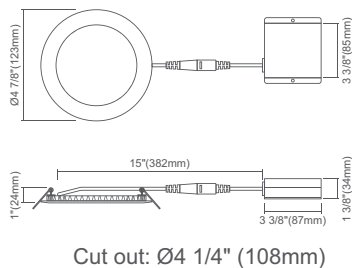

Make installation quick and simple with EXT SnapTrim series LED fixtures

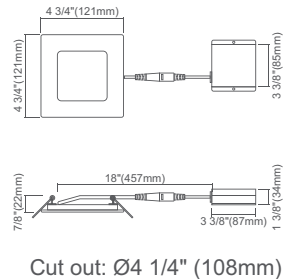

| DIMMER COMPATIBILITY | | | | |
