LET PASSION GUIDE YOU TO A THRIVING CAREER

At Box Hill Institute you can follow your passion and gain the skills to take the next steps in your career. As an international student, you can choose from over 50 nationally recognised courses and qualifications that range from higher education short courses through to diplomas and bachelor degrees. We are dedicated to empowering individuals with the skills to thrive in the workplace. We offer a range of flexible learning methods including online study. All you need to do, is take the first step!

Practical and Real Skills

We provide essential and advanced skills for a wide range of industries including building, construction, science, hospitality, commerce, information communication technology, cyber security and community services. Our training will provide you with real and relevant Australian industry experience to help you get ahead in your chosen field.

State-of-the-Art Learning Facilities

Working in our real and simulated work environments that include purpose-built facilities and retail businesses, you'll gain lots of practical hands-on experience. The environments are real, the tools, equipment and technology are the latest, and students deal directly with customers and clients.

A Wealth of Educational Experience

Established in 1924, Box Hill Institute is recognised as one of Melbourne's premier vocational education providers, not only within Australia but internationally.

We are a government registered and funded training provider, offering modern facilities, high quality courses, credentialed teaching staff, excellent security and value.

Our annual enrolment base is in excess of 45,000 students, as we are one of the largest Vocational Education and Training (VET) and higher education providers in Australia.

WINNER OF MANY AUSTRALIAN AWARDS

Box Hill Institute has been recognised and won outstanding achievement of awards in providing international students with excellence in vocational education and training.

- › **Finalist in the 2020 and 2019 Victorian Training Awards for Large Training Provider of the Year, and Inclusive Training Provider of the Year**
- › **Winner of the 2018 International Training Provider of the Year: Australian Training Awards**
- › **Finalist of the 2017 International Training Provider of the Year: Australian Training Awards**
- › **Winner of the 2016 Large Training Provider of the Year**
- › **Winner of the 2015 Victorian International Education Awards: Excellence in International TAFE Education**
- › **Finalist of the International Training Provider of the Year Award in 2015**
- › **Finalist for the Large Training Provider of the Year Award for 2015**
- › **Winner of the International Training Provider of the Year for 2013**

Pathways to Universities

WHY CHOOSE BOX HILL INSTITUTE

10 reasons to study at Box Hill Institute

Be amongst the action and achieve your goals!

Join our community of inspiring students and alumni who have achieved their study and career goals with us.

Getting you job ready, with an advantage!

Here to help you get a job quicker! 85% of our students are employed within 6 months of completing their study, and they earn a higher salary after graduating than university graduates!*

Setting you up for success.

We have many exclusive and inspiring partnerships with industry leaders. We know what employees need and want to ensure you are prepared and ready.

Connecting you to the experts.

Our expert teachers have a wealth of knowledge and years of hands-on experience to ensure you learn from the best. Our teachers and trainers are recognised as leaders in their field, maintaining strong industry connections.

State of the art training facilities.

Get a real taste of what it's like to work on the job, using our industry tools and techniques in our simulated work environments and Integrated Technology Hub.

The perfect mix to meet your study needs.

Our personalised learning approach offers flexibility while you study. We offer a variety of learning environments including online learning, work place based, mobile learning and the traditional face to face classroom setting.

You choose your pathway.

If you're thinking of Higher Education, our courses offer seamless pathways into a higher qualification at Box Hill Institute or with our university partners.

Be rewarded and recognised for studying.

We have a range of scholarships available to help you study.

Transport concession.

The iUSEpass initiative allows international students enrolled in a full time undergraduate course to purchase a half-price annual myki ticket for the zone/s in which they study.

Internationally recognised Australian training Institution.

Study with an award-winning educator; recognised as winner in 2018 International Training Provider of the Year Award and a finalist in 2020 and 2019 Victorian Training Awards.

CAMPUS INFORMATION

Box Hill Institute is located in Melbourne's eastern metropolitan area. Only 13kms from the central business district (CBD), it is part of Melbourne's vibrant and diverse cultural, food and arts scene.

The Box Hill campus is located next to the bustling Box Hill Central retail and food centre, as well as a train and public transport network.

Our City campus is located in the heart of the CBD, surrounded by vibrant cafes, retail stores, cultural and arts precincts. It has easy access to Flinders Street and Southern Cross stations - giving you the ability to discover both metropolitan Melbourne and regional Victoria.

For a change of scene, our Lilydale Lakeside campus is located in the foothills of the Yarra Valley, surrounded by Australian bushland and open spaces. It is part of the vibrant Lilydale community with local cafes, retail stores and easy access to the train station and public transport.

Find out more about our campus locations by visiting www.boxhill.edu.au/campuses ✎

WHAT YOU NEED TO KNOW

Studying at Box Hill Institute

Get the resources you need as a current Box Hill Institute International student.

Learn more about our resources 

Student Life Services

Box Hill Institute provides a wide range of student services and support to students to help you make the most of your studies, campus life and Melbourne experience.

Find out more about Student Life Services 

NOTE: Box Hill Institute only accepts enrolments from International students who are aged 18 years or older at the time of course commencement.

Student visa and your obligations

There are a number of conditions with which student visa holders must comply. Different visa conditions apply to you and your family members. Breaching a visa condition may result in the cancellation of your student visa. Some of these conditions are detailed below, however full details of these can be accessed on the Department of Immigration and Border Protection website.

For more information visit www.homeaffairs.gov.au to learn more about visa obligations and conditions 

ESOS Framework

As an international student you have legal rights and protection under an Act of Parliament the Education Services for Overseas Students (ESOS) Act 2000. The Act sets out the legal framework governing the delivery of education to overseas student studying in Australia. The National Code of Practice 2018 is a set of nationally consistent standards that governs the protection of overseas students and delivery of courses to those students. Box Hill Institute is a registered provider on the Commonwealth Register of Institutes and Courses for Overseas (CRICOS). Only CRICOS courses can be offered to international students studying in Australia on a student visa.

For more information visit the Australian Government Department of Education and Training ESOS 

Living in Melbourne

We recommend that you allow a budget of approx.AUD\$21,041 per year for living expenses such as accommodation, daily travel, books and materials. These expenses are incurred in addition to course fees. If school-aged dependents are accompanying you, these dependents must be enrolled as fee-paying students.

Find out more about living in Melbourne

Nursing & Community Services

Gain the essential skills and knowledge to work as an enrolled nurse in a variety of healthcare settings with our nursing course. In this rewarding career, enrolled nurses care for patients under the direction and supervision of a registered nurse. If you aspire to operate at an advanced skill level or have responsibility for the supervision of other staff and volunteers, this community services course is for you. You'll be ready to work as a community services professional in a range of service delivery roles including direct client work, community education or community development projects. You'll understand how to provide support to people in need of assistance and how to link clients to appropriate services and government departments.

Biosecurity Centre

Box Hill Institute has collaborated with local industry to provide students the latest technology, research and resources in one centre to guide students in their careers. Protect our food supply, our native plants and animals, and help protect our natural ecosystems.

The Centre provides training and facilitates research that aims to protect Australia's food, farming and agriculture industries, and our environment.

Based at our Lilydale Lakeside campus, the Biosecurity Centre is in close proximity to the Yarra Valley agricultural industry, Melbourne's main water catchment area, and the Yarra Ranges National Park

[Learn more about our Biosecurity Centre](#)

Sport, Fitness & Recreation

Australia is a sport loving nation with over 82% of people aged over 15, playing sport and taking part in physical activity at least once a week. Not only is it great for health and wellbeing, but it provides a connectedness with community. If you are passionate about making a positive impact in people's lives, then a career in sport administration and management could be for you.

Eleanor Chan
Teacher

At Box Hill Institute, we know that our flexible and industry aligned education can be a life-changing experience. With our unique focus on industry skills, our training is practical, career-oriented and tailored to students' needs.

We connect with prospective students to show them how we can help them to harness their passion and advance their career or find a new job by connecting them with the skills they need to thrive in their desired workplace.
