Welcome to Box Hill Institute

Box Hill Institute (BHI) is a vibrant and progressive educational facility that will provide training, guidance and support in your chosen studies. You have made a great choice for gaining relevant skills you can translate directly into jobs either now or in the future.

This booklet will guide you through some of the steps you need to take to enrol in your course, and also provides a range of student administrative-related information to assist you during your studies.

1. What Do I Do Next?

By now you should have applied and received a Course Offer for a place in a Box Hill Institute course. This details how you enrol in your course, because enrolling in your course is how you accept the place that has been offered to you.

This usually needs to be done within the designated time frame specified in the Course Offer, otherwise your place may be offered to someone else.

2. Your Course Offer

The Course Offer you have received should provide basic details about the following:

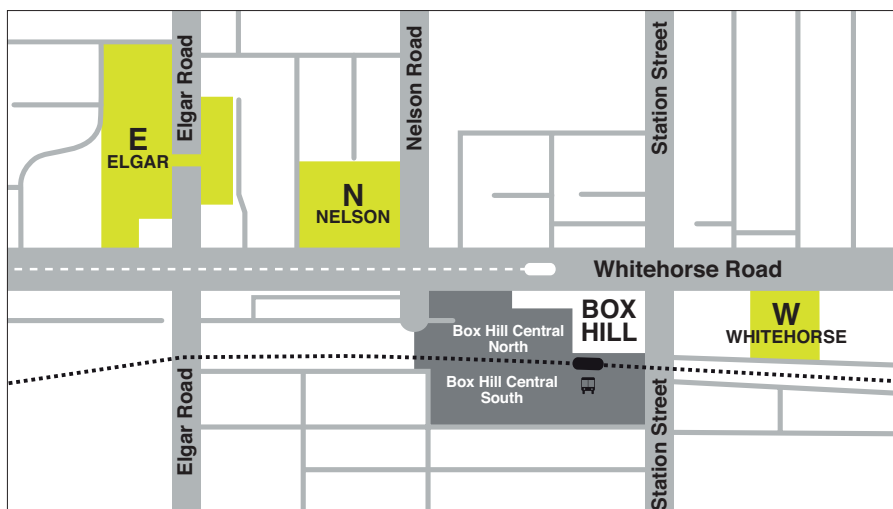

- › the course for which you have been offered a place
- › enrolment details
- › The Box Hill Institute website will provide information on course fees, including:
 - fee rates
 - fee concessions
 - VET Student Loan options (BHI TAFE Diploma/Adv. Diploma courses) or
 - FEE-HELP options (BHI degree courses)
 - Payment plan options

The next few sections will provide further information on each of the above steps, plus will give you a guide of what to expect as part of your enrolment.

8. Eligibility for Government Subsidised Place

(VET/TAFE Courses)

To be eligible for a Government subsidised place, you must be a domestic student and meet a range of eligibility criteria.

Citizenship, Residency and General Rules

You must be one of the following:

- › Australian citizen
- › Permanent resident
- › New Zealand citizen (visa 444)
- › Asylum seeker/victim of human trafficking (must have ARC/ASRC referral or relevant bridging visa)

and

- › studying in Victoria for the duration of your studies; and
- › have a USI (Unique Student Identifier) See Section 13; and
- › commencing a maximum of 2 government-subsidised qualifications plus a maximum of 2 government-subsidised skills sets in 2021 (some exceptions apply); and
- › concurrently studying no more the 2 government-subsidised programs (qualifications or skills sets) at any one time
- › be commencing no more than 2 government subsidised qualifications at the same AQF level in your lifetime (excluding Foundation courses or any VET courses studied as part of your senior secondary schooling); **EE**
- › are not a current secondary school student studying at a government, non-government, independent or Catholic secondary school or registered for home-schooling (excludes school based apprentice/trainees only)
- › meet upskilling eligibility criteria detailed in next section (if aged 20 or over); **EE**
- › have presented relevant citizenship/residency and age proof at enrolment.

(Temporary residents and international students are not eligible for a government subsidised place, and so pay full fee rates).

Citizenship/residency proof you must provide at enrolment that is acceptable, includes:

- › a current green Medicare card; or
- › an Australian birth certificate (not birth extract); or
- › a current Australian passport; or
- › a current New Zealand passport; or
- › an Australian citizenship certificate); or
- › an Australian Certificate of Registration by Descent
- › formal papers from Dept. of Home Affairs confirming permanent residence.

8. Eligibility for Government Subsidised Place

(VET/TAFE Courses)

Age proof must also be provided (if date-of-birth is not already included in the citizenship evidence) for the following categories: (Age is calculated at 1/1/21)

- › students under 20
- › students under age 25 applying for a Job Trainer place
- › Acceptable age evidence includes current driver's licence, learner permit, Proof of Age card, Keypass card).

Upskilling Requirements (Aged 20+)

In addition to citizenship/residency and general rule requirements, under Skills First, you must be Upskilling if you are aged 20+. This means:

- › if you are aged 20 years or older, you can only enrol in a qualification at a higher AQF level than the highest qualification you already hold by the time training will commence (unless an Eligibility Exemption is able to be granted). **EE** (Age is at 1/1/21)

However, this upskilling requirement does not apply if you are aged 20+ and

- › enrolling in a VCE/VCAL program
- › enrolling in a Foundation program (and don't hold a prior Diploma or higher)
- › enrolling as an apprentice (not trainee)
- › enrolling in a skills set.

When assessing what your prior highest completed qualification actually is, the following studies don't need to be taken into account:

- › senior secondary school certificates
- › any VET certificates completed as part of senior secondary (i.e. VETIS/VETDSS courses, school-based apprenticeships or school-based traineeships)
- › programs on the Foundation Skills course list
- › skills sets
- › non-Australian programs (usually completed overseas) (except where a formal AQF equivalency has been obtained).

Not Upskilling?

You may be able to access one of our Eligibility Exemptions – see **EE** below. If not, Fee-for-service fees would apply. Please ask if you are not sure.

EE 2021 Eligibility Exemption – in 2021, substantial numbers of eligibility waivers under the Government's eligibility exemption initiative are available. Under this exemption, the upskilling and 2 at-level limit eligibility requirements are waived enabling enrolment as a Government subsidised student. Fees at Government subsidised rates still apply. Please ask when applying or enrolling as you may be able to access one of these.

8. Eligibility for Government Subsidised Place

(VET/TAFE Courses)

Under 17?

If you will still be under 17 by the commencement of your course, additional requirements apply as follows:

- If you are under 17 and have completed year 10, you must bring correspondence from your school principal authorising you to move to BHI.
- If you are under 17 without year 10, you must bring correspondence/approval from a Department Regional Director to move to BHI.
- If you are under 17 and not currently or have never been enrolled in a Victorian school (i.e. coming from interstate, overseas or home-schooling), you must bring correspondence/approval from a Department Regional Director to move to BHI.

A completed 'Transition from School Form' is the common method of acceptable correspondence.

Eligibility Exclusions:

The following student categories are not eligible for a government subsidised place in 2021, and thus would need to enrol as a fee-for-service student:

- Secondary school students studying at a government, non-government, independent or Catholic secondary school, or registered for home-schooling (excluding school-based apprentices/trainees); or
- Persons detained under the Mental Health Act at the Thomas Embling Hospital; or
- Prisoners detained in a prison or youth justice facility (excluding individuals on a community-based order or from the Judy Lazarus Transition Centre).
- Interstate residents (unless they are able physically attend all training and assessment in Victoria)
- Overseas residents.

Not Eligible?

Not eligible? Don't worry it's not the end of the world, there may be options available! Make sure you discuss your situation with the Institute.

General Note

Students accessing a Skills First government subsidised place at TAFE should be aware that the course is being subsidised by the Victorian and Commonwealth Governments under the Skills First Program. Note that enrolling in a government subsidised place will affect future training options and eligibility for further government subsidised training under the Skills First Program.

9. Fees

The fees you pay will depend on whether you are enrolling in a VET/TAFE level course and eligible for a government-subsidised place or not, or whether you are enrolling in a Higher Education (degree) course.

The different course levels and fee rate types are as follows:

Table A

VET or HE?	Course Level	Tuition Rate Types	HELP Loan Available
VET/TAFE Fees Apply	VCE/VCAL	Government subsidised or Full Fee	No
	Certificate I Certificate II Certificate III Certificate IV	Government subsidised or Full Fee	No
	Diploma Advanced Diploma Vocational Grad Cert Vocational Grad Dip		Yes - most courses VET Student Loan (20% loan fee applies to full fee students)
Higher Education Fees Apply	Undergraduate Certificate Diploma (Higher Ed) Associate Degree Bachelor Degree Graduate Certificate Graduate Diploma Masters	Full Fee CSP Places*	Yes FEE - HELP (20% loan fee applies to all students)

*CSP (Commonwealth Supported Places) may be available to small number of Undergraduate Certificates and Graduate Diplomas studied online from time to time.

Fees for TAFE level courses are generally charged once annually, however some courses may split their fee over 2 semesters, and will charge a portion at the start of the year, and the remaining portion mid-year.

Fees for government subsidised students are made up of four components:

1. Tuition Fee (hourly rate)
2. Service & Amenity Fee
3. Materials Fees (including Course Teaching Materials fees/Retained Course Items fees).
4. Core Skills Support Fee

9. Fees

Tuition Fees (VET/TAFE Government Subsidised Courses)

Tuition fees are calculated on an hourly rate based on your total enrolled unit hours for study commencing in the 2021 calendar year. Units commencing in future calendar years will be enrolled at that time.

To see the exact rate applicable to the course in which you are interested, please go to the specific course entry page on the Box Hill Institute or CAE website, via the course search facility. Please Note: The student tuition fee is indicative only and is subject to change given individual circumstances at enrolment. Rates may also increase in future calendar years.

Tuition Fee Concession (VET/TAFE COURSES)

A concession tuition fee rate applies (20% of standard rate) if you are enrolling in a government subsidised place and you meet the required criteria, as follows:

You must be enrolling in a VCE/VCAL or Certificate I–IV level course, and be either a holder of or listed as a dependant on one of the following:

- › Commonwealth Health Care Card (HCC)
- › Pensioner Concession Card
- › Veterans' Gold Card
- › are an aboriginal/torres strait islander
- › are an asylum seeker/victim of human trafficking (as referred by ASRC/ARC)

(Note: a Senior's Card alone is not sufficient)

- › **AND** you provide your Concession card/proof at enrolment. (The original must be presented if enrolling in person, or a copy uploaded as part of your online application that will then be validated).

Students enrolling at the VET Diploma and above are not eligible for a concession (the only exceptions are Indigenous students or students enrolling under the Job Trainer initiative).

Being a dependent means if you don't have your own Concession card, but your name is listed on your parent/guardian's card, you are also entitled to the fee discount if you provide your parent/guardian's Concession card at enrolment. You will then pay the relevant category concession tuition fee rate.

HCCs are issued by Centrelink, and are usually associated with either:

- › you or your parent/s being in receipt of a government benefit (i.e. a pension or payment of some type such as Youth Allowance, Parenting Payment etc); or
- › you being a 'low income earner'.

It is in your interests to check with Centrelink, as you may be entitled to a 'low income' (LI) HCC and the concession rate on your fees. Centrelink can be contacted on 13 24 90, or at www.centrelink.gov.au (search on 'Low Income').

9. Fees

How do I receive the concession rate?

You must provide your relevant concession card as part of your enrolment. If you have applied for a HCC with Centrelink, but have not received it as yet, you must obtain a temporary HCC/letter from Centrelink that will also enable you to receive the fee discount 'upfront' at enrolment.

If you intend to apply for a HCC with Centrelink, you should do so as soon as possible, and well before your enrolment.

Can I receive the discount 'retrospectively'?

Should you receive a late HCC that has been back-dated as starting prior to your course commencement date, this may be considered if presented no later than 6 weeks after your course start date to Student Administration.

Tuition Fee Waiver (VET/TAFE COURSES)

A full exemption (\$0) from the Tuition Fee component of your fees applies, if you are enrolling in a government subsidised place, and are:

- Free TAFE – Commencing a course on the Free TAFE for priority courses list, and meet eligibility criteria

- › a New Zealand citizen, who will live and study in Australia for the whole course
- › a permanent visa holder, who will live and study in Australia for the whole course.

You must provide evidence of citizenship (attach a copy of one of the following: Green Medicare Card, Australian passport, Birth Certificate, Naturalisation Certificate, New Zealand passport, permanent visa) at enrolment. This evidence will be validated.

CSP Place information is available at www.studyassist.gov.au

11. FEE-HELP (HIGHER EDUCATION/DEGREE COURSES)

How do I apply for FEE-HELP?

If you are interested in applying for FEE-HELP, you must:

- › Read the FEE-HELP booklet (available from Student Administration or on website)
- › Complete the FEE-HELP application form, and bring it to your enrolment session
- › You will be required to provide either your Tax File Number at enrolment, or a 'Certificate of Application for a Tax File Number' (this is obtained from the Australian Taxation Office, and should be provided either at enrolment or to Student Administration by the March 1 2021)
- › Submit your citizenship evidence at enrolment:

Australian Citizens

- passport, birth certificate, official extract of birth certificate, or Australian citizenship certificate.

Permanent Humanitarian Visa Holders

- › You will then receive an email with a pass key and link asking you to "submit an eCAF" by completing an eCAF form online
- › Once you have submitted your eCAF online you will receive a confirmation email. This should all be done before you commence your course.

What if I am not eligible for FEE-HELP?

You either pay full fees 'up front' to Box Hill Institute, or you may be able to take our a payment plan via Debit Success. See Section 12.

Where can I find further information about FEE-HELP?

Further information about FEE-HELP can be obtained at the following website: www.studyassist.gov.au or by contacting the Student Administration Higher Education Administrator, on (03) 9286 9002.

12. Payment Plans

Box Hill Institute has a Payment Plan option available to students wanting to spread their fee costs over the year.

If you are a domestic student and not eligible for any other type of FEE-HELP or a VET Student Loan, then this may be a great payment option for your tuition fees also.

The Payment Plan is with Debit Success. It enables you to make weekly or fortnightly re-payments from your nominated bank account via direct debit. For study in 2021 final instalment is due by one month prior to your course finish date in 2021.

Who is eligible for a Payment Plan?

Students studying qualifications at all course levels from Year 11/12 and Certificate I right through to Bachelor Degrees (excluding international, short courses and skill sets), where you are:

- › a domestic government-subsidised or domestic full-fee student, and not eligible for any other available loan or deferment agreement for the tuition component – i.e.
 - not eligible for a VET Student Loan (diploma/adv diploma)
 - not eligible for FEE-HELP (degrees)
- › and you are unable to pay the full tuition component of your fees upfront at enrolment*; and/or
- › you are unable to pay the full service and amenity, materials or core skills support upfront at enrolment

If you are under 18 years old, you must also have an extra guarantor form signed by your parent/guardian. Your parent/guardian will also need to complete part of your payment plan contract.

*Please note: Payment plans are **not** available for enrolment in **Aviation courses** for tuition fee components.

Which fees are covered by a Payment Plan?

You can pay a portion of your fees up front at enrolment and the remainder is repaid via weekly or fortnightly instalments, through a direct debit arrangement with Debit Success, or you can put 100% of your fees on the payment plan.

12. Payment Plans

What are the Payment Plan terms?

For study in 2021 weekly or fortnightly repayments are required, with final instalment due no later than one month prior to your course finish date in 2021.

Payment Plan is subject to the following administrative fees: (both are added to the debt) and are non-refundable:

- › \$12 initial fee; plus
- › a 4.8% billing fee

If you withdraw **within** the refund period stipulated in the Refund Policy, the payment plan will be adjusted as required.

If you withdraw **after** the refund period stipulated in the Refund Policy, you will be required to continue paying instalments until the balance is settled.

How do I apply?

You will need your Australian bank account or Australian credit card account details to complete a Debit Success Payment Plan Agreement with Student Administration/ Customer Service as part of your enrolment.

If you have details of a bank or credit card account other than your own, the account holder must also sign the agreement form.

If you are under 18, you must also have a completed guarantor form.

This will enable direct debit of weekly or fortnightly payments from your nominated bank account to commence within 14 days of your enrolment.

Important – please note!

When a student enters into a Student Payment Plan Agreement with Debit Success it is a legal and binding contract. In the event that student payments go into arrears, the account will be sent to debt recovery (debt collection).

This process will incur an additional fee of 25% (calculated on the total of the original Payment Plan) and has the potential to affect a student's future credit rating.

13. Unique Student Identifier (USI)

If you are undertaking nationally recognised Senior Secondary, VET, or Higher Education training you must have a Unique Student Identifier (USI). This includes study in Certificate I-Vocational Graduate Diploma level courses, apprenticeships, skill sets, undertaking VCE, VCAL or VET in Schools courses or undertaking any Degree, Undergraduate Certificate or Graduate/Masters qualification.

A USI gives you access to your online USI account which is made up of ten numbers and letters. It will look something like this: 3AW88YH9U5.

A USI account will contain all your nationally recognised training records and results for VET study undertaken from 1 January 2015 onwards and for Higher Education courses commenced from 1 January 2021. Results are available in the year after study.

You can access your USI account online from a computer, tablet or smart phone anywhere and anytime.

Once you create your USI you will need to give your USI to each training provider you study with. So you will be required to submit your USI as part of your application to Box Hill Institute.

Steps to create your USI

The following steps show how you can create a USI: It's very easy and only takes a couple of minutes providing you have one of the identity documents at hand, as listed below:

Step 1

- › Driver's Licence
- › Medicare Card
- › Australian Passport
- › Visa (with Non-Australian Passport) for international students
- › Birth Certificate (Australian)
- › Certificate Of Registration By Descent
- › Citizenship Certificate
- › Immi Card

13. Unique Student Identifier (USI)

Step 2

Have your personal contact details ready (eg, email address, or mobile number, or address).

Important: Please note that the USI will be linked to your name as it appears on the form of ID you used to create the USI. The personal details you enter when you create a USI must match exactly with those on your form of ID.

Step 3

Visit the USI website at: usi.gov.au.

Step 4

Select the 'Create a USI' link and follow the steps.

Step 5

Agree to the Terms and Conditions.

Step 6

Follow the instructions to create a USI – it should only take a few minutes. Upon completion, the USI will be displayed on the screen, plus, it will also be sent to your preferred method of contact (i.e. email).

Step 7

You should then write down the USI and keep it somewhere handy and safe.

You must then submit your USI as part of your application to Box Hill Institute.

14. How Do I Enrol?

APPLICATION Firstly you need to complete the course application process either via the online application process, or via a campus Enrolment Hub in person. This will involve you completing an application form, submitting a range of documents pertaining to your identity, citizenship and age, obtaining a USI, completing a pre-training review and literacy/numeracy profile. For some higher level courses you may also be required to attend the campus for an interview or some other pre-selection assessment to determine your suitability for a program. If you are wanting to apply for Recognition of Prior Learning, you should also supply your Results Transcripts from prior studies undertaken.

OFFER If you are accepted into the course you will receive an offer for a place in the course

ENROLMENT Once you have received an offer for a place in a course, you need to finalise your enrolment by accepting the offer and paying or accounting for all fees incurred as soon as possible, and within the required timeframe.

Enrolment is where you accept the offer that has been made to you for a place in a course, and account for fees incurred. This includes either paying fees upfront, arranging a HELP Loan where eligible, establishing a payment plan, or any combination of these payment methods, depending on what payment options are possible for your course.

(Note - if you have received an initial offer via the VTAC process, you may still need to complete aspects of the application requirements after receiving your VTAC offer, and prior to payment. Box Hill Institute's Offers and Admissions staff are happy guide you through these processes if assistance is needed.)

The final enrolment and payment step is completed with Student Administration Cashiers either online, by phone for standard upfront payments and HELP loans, or by attending the campus in person.

What do I need when paying my fees?

- › Fee Payment Upfront – cash, credit card (Visa and Mastercard), cheque, EFTPOS.
(Note - Some EFTPOS cards have a daily withdrawal limit. Double check that you will not exceed this prior to payment)
- › Payment Plan – you must have bank account details, and parent/guardian if you are under 18 years old
- › Third Party Payment – a “Letter of Authority to Invoice” completed by the 3rd party. Please request the form from an Admissions Officer in advance, if your employer or another 3rd party is going to pay for your fees. Box Hill Institute will then invoice them accordingly.
- › Health Care Card/Fee Discount eligibility evidence – if you are applying for a tuition fee concession rate.
- › VET Student Loan or FEE-HELP – you should have already supplied your citizenship evidence as part of your initial course application process, and completed the relevant VSL Intention Form or FEE-HELP Application form. If not, you will be required to complete these forms. This includes supplying your Tax File Number (TFN). For VSL, evidence of prior Certificate IV or higher, or Year 12 completion if relevant (and if not already supplied as part of your initial course application).

7. HELP LOAN ECAF SUBMISSION

For HELP Loan applicants only, complete online eCAF once you receive your notification email and pass key (will be at least 2 working days after your enrolment)

16. Can I Defer My Offer?

Deferment of Offer is available for some (but not all courses), and if allowed, enables you to defer taking up your place and enrolling in the course for up to 1 year.

During that time, a place is held for you, however you are required to advise the Institute by November 1 2021 if you intend taking up your deferred place in 2022.

Be aware that fee rates vary from year-to-year, and if you do successfully defer your offer in 2021, the fee rate you were quoted for 2021 will no longer apply in 2022. If you do take up your deferred place in 2022, you would be required to enrol and pay at 2022 fee rates.

Deferment will not be granted where you are choosing to study in a course elsewhere. Rather, is intended for genuine reasons where you may wish to have up to a year's gap in your studies.

Successful Deferment of Offer applications also incur an administrative fee of \$75.

If you do wish to apply for a Deferment of Offer, you must:

- > obtain a Deferment of Offer form from the Student Administration/Customer Service Office on your campus
- > take it to your course coordinator or Head of School for authorization
- > take it to Student Administration/Customer Service, and pay the \$75 Administration Fee at the Cashier.

You will receive a confirmation letter with the outcome of your Deferment of Offer Application, by mail.

17. Missed Enrolment & Application for RPL

What if I miss my enrolment?

It is up to you to ensure you are enrolled within the required timeframe and before course commencement. If not, your place may be offered to someone else.

If you are having difficulty enrolling, please contact Student Recruitment for assistance on 1300 454 184.

Can I apply for Recognition of Prior Learning (RPL)?

RPL enables you to receive credit in TAFE-level courses, for studies you have completed in the past, or receive recognition for extended work or life experience that you may have. Your prior studies/work experience must be deemed equivalent to the studies you would be undertaking in unit/s within your course, as the Institute must be satisfied that you are 'competent' in unit/s prior to the granting of RPL.

As a result, the granting of RPL is not always automatic, depending on when your prior learning occurred, and available translations into the units in which you are enrolling. You may even need to undergo some testing prior to RPL being granted. In other instances, your provision of past results transcripts may be sufficient for your assessment.

Bring your results transcripts to your enrolment session, and mention to your enrolling teacher that you wish to apply for RPL. A separate appointment will generally need to be made to assess RPL applications, and RPL Assessment Tuition fees do also apply where automatic Credit Transfer is not possible.

Government subsidised RPL is not available for Foundation courses.

19. After Enrolment & Before Classes Start

Class Timetable

You should be provided with:

- › your course start date

This is available from:

- › Student Administration/Customer Service Office on your campus; or
- › downloadable from the Box Hill Institute website, at www.boxhill.edu.au

When completed, the form must be lodged with your relevant course coordinator or Faculty Operations Manager or Faculty Dean, for further completion and authorisation.

Once authorised, staff will then forward it on to Student Administration, where your course withdrawal will be processed into the Student Management System, and your withdrawal assessed for any refund eligibility.

You should also include your bank account details on the form in case you are eligible for any fee refund.

21. Refunds

To be considered for a fee refund, you must formally withdraw via submission of a Course Exit or Unit Withdrawal form. If you simply stop attending classes without formally withdrawing from your course or unit/s, you will not be considered for any fee refund. You must also include your bank account details on the form.

Fee refund amounts vary, and are dependent on:

- › the type of place you were enrolled in (i.e. either a government subsidised or full fee paying place)
- › whether your course is a TAFE level Certificate I-IV, a TAFE level Diploma/Advanced Diploma, or a Degree level course.

Various components of the fees you have paid are assessed by both your Faculty Operations Manager/Faculty Dean and Student Administration to determine your eligibility for a fee refund, regardless of whether you withdraw before or after course commencement.

If you are entitled to a fee refund, the refund is generally issued to you via direct deposit back into your bank account.

Refunds generally take 21-28 days to be processed.
Refunds are not issued in cash.

Please note:

22. Learning Assistance

At Box Hill Institute, there is plenty of support to help you through your studies.

Literacy and Numeracy Support Program

Box Hill Institute offer the Literacy and Numeracy Support (LNSupport) Program to eligible students to provide you with additional teaching support and resources. This will support you in building the reading, writing and maths skills required to be successful in the vocational course you enrol in.

What benefits can the program provide?

LNSupport can help you with the transition from school to TAFE, if you are a recent school leaver. Or if you have left school a few years ago, the program can help you brush up your skills. It can help tie your reading, writing and maths skills directly to the formal and practical requirements of your vocational-based course. It can also help you gain more confidence in your own literacy and numeracy skills, which will help you in the workplace, or for any further study options you may choose to pursue down the track.

What can I personally gain from the program?

The beauty of LNSupport is that it is flexible. The program is built into your main course of study, and is usually provided to your whole class. It aims to help you make connections between your current skills, and where and how you use those skills in your course-based vocational tasks and requirements. You can have access to two teachers in some classes and the literacy and maths support provided to you is designed to be relevant to the industry skills you really want to learn.

How does it work?

The program does not require any additional class time or additional assessments. An LNSupport teacher will be in some of your classes. Assistance and support is provided when your class needs it. Your class may require additional time – outside of class – with the LNSupport teacher if you would like help with things like report writing, essay writing, giving a talk to a class or completing an assignment.
