

Mariusz Bachurski

Web Developer

EXPERIENCE

CANADA REVENUE AGENCY | SURREY, BC
SENIOR TRUST ACCOUNTS AND RESOURCE OFFICER
FEB 2018 TO PRESENT

Divisional Support, Developer of local tools and solutions:

- Identifying efficiencies in various departments of the Verification Division.
- Technical support of internal applications as well as automation tools.
- Developing and maintaining new tools and applications to aid in automating repetitive tasks, enhancing productivity, accuracy, and reporting using VBA as well as HTML, CSS, JavaScript and VBScript where appropriate.
- Interfacing with the Mainframe while adhering to strict security standards.

BEJAMAS.IO | REMOTE
JUNIOR DEVELOPER / QUALITY ASSURANCE
MAY 2018 TO DECEMBER 2018 (PART-TIME)

Developing websites of various scale in a decentralized team using the latest technologies:

- React along with Static Site Generators such as Gatsby.js and Next.js.
- Serverless (Netlify, Firebase), GraphQL, and Styled-Components.

Quality Assurance tasks to ensure all projects meet strict requirements of accessibility, compatibility and usability, while looking for opportunities for improvement.

Project Management and communication with clients and stakeholders regarding requirements. Creating issues in Git and assigning tasks to team members.

FREELANCE WEB DEVELOPMENT / LEARNING JOURNEY | REMOTE
MARCH 2016 TO PRESENT

Develop websites of various scope using technologies such as HTML5, CSS3, JavaScript and jQuery.

As a proponent of the JAM stack, my current projects are all built in Gatsby.js, a Static Site Generator using React. My most recent project is a website for a small travel agency specializing in camps and field-trips for youths. It is built with Gatsby.js, and served via Netlify. DatoCMS handles the content, while Firebase is used for authentication, and Firestore for the database.

EDUCATION

Logic and Computational Thinking (course) | Microsoft / [edX.org](#) | 2019
Front-end Development (courses) | FreeCodeCamp / Codecademy | 2016 - 2017
Intro to Project Management (course) | University of AdelaideX | 2016
Warehouse Management Level 1 | BCIT | 2005
High School Diploma | Port Moody Secondary School | 2003
