1. HELLO

Hi there. A massive welcome and thank You for choosing ROLLiN' Car Insurance. This document You're reading is called a Product Disclosure Statement (PDS).

In plain English, it sets out the A to Z of what You and Your Car will be covered for, what won't be covered, as well as the claims process should You need to make one.

Who do We cover You ask? Great question. The Policy provides cover to licensed drivers who are driving their registered Car for private use (including those who commute to and from their regular place of work), and to Business Use customers.

Of course, You'll need to read this PDS to fully to understand the Policy's features, fees (aka Premium and any applicable Excesses You need to make towards a claim), terms & conditions and claim process.

Now, We get that reading a full PDS is probably not something that ranks high on the excitement levels. But it is important that You do take the time to read and understand it so You are able to make an informed decision about Your insurance with Us and compare what We provide with other car insurance products on Your radar.

Consider this a fluff and jargon-free chat with a friend (who seems to know a bit too much about car insurance). And one final note, just so You know a little about Us, We are Insurance Australia Limited ABN 11 000 016 722 AFSL 227681 trading as ROLLiN' Insurance which is the issuer of this PDS and Policy.

2. GENERAL

2.1 Insurance Certificate

Your Insurance Certificate shows the Insurance Period Your Policy covers with the details of cover including the Policyholder(s), Listed Driver(s), and Single Car Value(s) for each Car You have insured under this Policy.

2.2 Co-operation

You must be truthful and frank in any statement You make to Us and You must not behave in a way that is improper, hostile, threatening, abusive or dangerous (basically, no meanies please).

2.3 Things changed?

Things change. It happens. But when it does, remember, You need to let Us know, as soon as reasonably possible, otherwise We may refuse or reduce a claim or cancel Your Policy.
The types of changes You must let Us know are situations when;

- the driver/s of Your Car change;
- the place where Your Car is regularly kept changes;
- You add any modifications, options or accessories to Your Car;
- any finance arrangements on Your Car change;
- Your Car usage changes from private to business or vice versa;
- a Policyholder or driver has:
  - had an insurance policy cancelled for misrepresentation or non-disclosure;
  - had an insurance claim denied or cancelled;
  - been convicted of fraud, arson or theft;
  - been denied purchase of new or renewed insurance; or
  - had their drivers licence cancelled, suspended or disqualified; or
- any matter listed on Your Insurance Certificate changes or is inaccurate.

When We receive any of the above types of changes to Your circumstances from You, We will do one of the following:

- continue cover with no change to the Premium payable;
- reduce the Premium payable and return any refund to You;
- charge You additional Premium (You can cancel Your policy if You do not accept the additional Premium); or
- cancel Your Policy as ROLLiN' does not provide cover for the change requested.

If You don't let Us know about the above types of changes to Your circumstances, unfortunately this can result in claims being reduced, refused and/or Your policy cancelled. This will put Us in the position We would have been in if You had advised Us of changes to Your circumstances.

We understand that in some circumstances You may not be able to meet Your responsibilities for reasons that are beyond Your control. For example, if You are seriously injured and You cannot provide Us with information to help Us process Your claim.

You may also experience personal circumstances which could impact a claim under this Policy. For example, mental health conditions, or the conduct of others such as acts of violence or intimidation. If this happens, You or any other insured should speak to Us about Your situation so We can consider how best We can help. It is important for You to know that We may make changes to this Policy at Your next renewal. But don't worry. We won't spring it on You - where there is a change, We will provide You with a new PDS. The information in this PDS is current at the preparation date. From time to time, We may include more up-to-date information in the PDS that is not materially adverse without notifying You. You can get more up-to-date information by contacting Us. If You ask Us for any updates, We will give You a free copy. If We need to, We will issue a replacement PDS.

2.4 More than one Policyholder?

A heads up, if there's more than one person named as the Policyholder for any Car on Your Insurance Certificate, then any action, statement, or omission by any one Policyholder applies to all Policyholders. Furthermore, each person is able to act on behalf of all Policyholders as their agent and is responsible for the completeness and accuracy of information in any statements, claims, or documents provided by any one of them to Us, and for complying with the conditions of Your Policy. We will notify all Policyholders of any changes made to the Policy including cancellation. If You have a Business Use Policy and a business or company is listed as the only Policyholder, such notifications will be given to the authorised person You have nominated.

2. GENERAL

2.5 Insurance that doesn't cost the earth

We're all about the paperless communication at ROLLiN', and We don't mean smoke signals. By taking out this Policy, You are agreeing to receive all Your Policy documents electronically so to ensure We are able to reach Your digital inbox, please make sure Your email address is updated. Should You have any questions, We are reachable via email and have made our documents available digitally so You can print them any time You want to get Your hands on a paper copy.

2.6 Cooling off

You have 14 days (the 'cooling off period') after We issue Your Policy to change Your mind and tell Us that You want to cancel the Policy and We will refund Your full Premium. However, We will only do that if You haven't made a claim on Your Policy. The cooling off period will not apply to renewals unless We change the terms and conditions of the Policy.

2.7 ROLLiN' App

The ROLLiN' app assesses driver(s) driving behaviour, like accelerating, braking, and taking corners.

Customers who use their Car for certain business purposes can apply to take out a ROLLiN' motor insurance product for Business Use. If You have applied for this type of Policy and We have approved Your application:

- Business Use will be listed on Your Insurance Certificate;
- You and Your Listed Drivers will have agreed to install and use the ROLLiN' app, which is used to capture Your and Your Listed Drivers driving behaviour;
- You will automatically be signed up for ROLLiN's Safe 'n Save;
- If You no longer wish to use the app for ROLLiN's Safe 'n Save, You will be bound by the terms of the offer unless You cancel Your insurance or decline to renew Your Policy at renewal.

If at the time of purchasing a personal use policy, You choose to sign-up to ROLLiN's Safe 'n Save:

- You will have agreed to download and use the ROLLiN' app;
- You can only register one Car with ROLLiN's Safe 'n Save, but You can have multiple Listed Drivers;
- If You choose to register Your Car for ROLLiN's Safe 'n Save, You will be bound by the terms of the offer unless You remove it by cancelling Your insurance or declining to renew Your Policy at renewal and then taking out a new Policy with Us without Safe 'n Save.

If You have ROLLiN's Safe 'n Save on Your Policy:

- the app will use information recorded by Your phone and the phone of any Listed Drivers to determine a Policy Score. After the first two months of Your ROLLiN' motor insurance cover, You may be eligible for a Safe 'n Save discount based on Your Policy Score; and
- You and Your Listed Drivers need to have the ROLLiN' app installed and running at all times with Location Services "Always On". If the ROLLiN' app is not recording at the time of an incident an increased Excess may apply – see Our Motor Insurance Premium, Excess and Discounts Guide (referred to below) for more details.

For information about how We work out Your Premium, see Our Motor Insurance Premium, Excess and Discounts Guide. To get a free copy of Our Motor Insurance Premium, Excess and Discounts Guide **click here.**

4. WHAT YOU'RE COVERED FOR

Had an accident? Our comprehensive car insurance policy has Your back. In a nutshell, We cover You up to the Single Car Value for loss or damage to Your Car caused by any one or more of the incidents listed below in section 4.1 that occur during the Insurance Period.

We also cover You up to the Legal Liability Cap for Your legal liability to pay compensation to someone for loss or damage to their car or property which results from incidents caused by the use of Your Car during the Insurance Period.

Here's a rundown of what You're covered for.

4.1 Loss or damage to Your Car

What's covered?
We cover loss or damage to Your Car occurring in Australia during the Insurance Period caused by:

- accidental collision;
- fire or explosion;
- theft or attempted theft;
- vandalism;
- storm, Flood or water;
- lightning or hail;
- accident.

But note: We don't cover You if one or more of the general exclusions in **What's not covered** (section 6) apply.

4.2 Legal liabilities

What do We cover?
We cover amounts You are, or anyone using Your Car with Your consent or any passenger in Your Car is, legally liable to pay for loss or damage to someone else's property as a result of an incident during the Insurance Period caused by use of Your Car (or Trailer). We will also cover amounts Your employer or principal is legally liable to pay for loss or damage to someone else's property as a result of an incident occurring during the Insurance Period caused directly by Your Car (or Trailer).

This cover includes the legal costs that must be paid to defend the claim and any costs awarded against You. Basically, We'll help and be at Your corner if someone makes a claim against You or sues You.

We'll act for You, attempt to resolve the legal liability claim, and/or defend the claim in a court or tribunal. We'll pay up to the Legal Liability Cap for all claims arising from any one incident or series of incidents.

So, what's the catch? What isn't covered?
Here's where Our hands are tied. We don't cover You:

- if You or the person driving Your Car has deliberately damaged Your own property;
- any damage or loss when You're using a hire car or any car other than the Car;
- any legal liability for death or bodily injury;
- any legal liability claims made by You, anyone related to You, or living with You;
- legal liability claims where You legally need compulsory insurance to cover the claim;
- any penalties or fines or where awards for damages (aggravated, exemplary or punitive);
- liability for any passenger affected by drugs or alcohol;
- any legal costs We didn't agree to pay; or
- any legal costs related to criminal proceedings, offences or fines, or breaches of road traffic rules.

Note: On top of the specific exclusions to Your cover listed directly above, We also can't help You if one or more of the general exclusions in What's not covered (section 6) apply. Just be careful to also read the instructions under Claim It (section 7), so We can work together with You to make this process go smoothly.

5. BENEFITS

5.1 What's included?

Here's a handy list of what benefits are included in Your Policy. Remember to check What You're covered for (section 4) to see if We can help.

1. Emergency travel and accommodation

If You're far from home (200km or more) and Your Car has been stolen or damaged and You're covered under 4.1, We'll also reimburse You up to $500 for travel and a place to stay. You must have incurred these costs and provide Us with invoices to support Your claim for this benefit.

Please refer to What's not covered (section 6).

2. Towing costs

Accidentally damaged Your Car? Leave it to Us – if You're covered under section 4.1 We'll also pay the reasonable cost to tow Your Car to:

- Our nearest authorised repairer; or
- A safe place where We recommend.

We will only cover the cost of one tow. If the Car is towed more than once, We will decide which tow to pay for.

Please refer to What's not covered (section 6).

3. Storage costs

If Your Car's damaged and You're covered under section 4.1, We'll pay for it to be housed at one of our approved places, from the time You lodge Your claim until We assess it.

We won't pay for any storage costs that You pay for before You lodge a claim. Please refer to What's not covered (section 6).

4. Keys and Locks

We pay the costs to replace and recode Your Car keys and Car locks if Your keys are stolen up to $1,000.

Please refer to What's not covered (section 6).

5. Lifetime repair guarantee

You've got our word that any repairs We authorise to get done on Your Car are guaranteed by Us for quality of workmanship and materials while You own the Car. Not happy with any repairs? Let Us know and We'll take a look and ensure any necessary rectification work is performed.

We cannot cover the cost of rectification work on repairs to Your Car that are done by someone We haven't authorised. We do not provide this benefit after You no longer own the Car. Please refer to What's not covered (section 6).

5. BENEFITS

6. Essential emergency repairs

Uh oh. Need urgent repairs done on Your Car to ensure it is road worthy and safe as a result of an event covered under section 4.1? No sweat. We'll reimburse You up to $500 for any essential emergency repairs You have to make. You must have incurred these costs and provide Us with invoices to support Your claim for this benefit.

Please refer to What's not covered (section 6).

7. Replacement car after a Total Loss

If Your Car's a Total Loss as a result of an event covered under 4.1, and it has less than 15,000 km on the odometer, We'll:

- replace Your Car with a new one that has the same make, model, engine size, equipment level and paint type if it's available in Australia and can be sourced within 8 weeks from the date it is declared a Total Loss. We'll also include any similar accessories shown on Your Insurance Certificate; and
- pay for 12 months registration and CTP Insurance for the new Car. We keep any refunds from Your previous registration + CTP Insurance.

We will check Your odometer when assessing Your Car. Additional information could be requested see section 7.2. Refer to section 7.6 for more information on Your options if the replacement Car cannot be sourced in Australia in the 8 week period from the date it is declared a Total Loss.

We won't replace Your Car if: it's got 15,000 km or more on the odometer. Please refer to What's not covered (section 6).

8. Trailer Cover

Got a Trailer? Was it stolen or damaged? If yes, We'll reimburse You up to $1,000 to cover the costs of any accidental loss or damage. You know the drill by now - You must have incurred these costs and provide Us with invoices to support Your claim for this benefit.

Please refer to What's not covered (section 6).

9. Hire car or alternative transport

Don't worry, if one of the incidents listed in section 4.1 occurs, We've got You covered for transport. If We accept Your claim and You have a personal use Policy, We can offer You two options:

- We'll arrange to rent a similar car for You up to $80 per day; or
- We'll pay You up to $80 per day for the cost of using any transport.

If We accept Your claim and You have a Business Use Policy, We'll pay You up to $80 per day for the cost of using any transport.

This covers You until:

- Your Car is fixed,
- Your Total Loss claim has been settled, or
- You hit the maximum rental or alternative transport period of 21 days, whichever comes first.

Just remember – if You have incurred these costs You must provide Us with invoices to support Your claim for this benefit.

We won't pay for any rental deposits, security bonds, fuel, pick up/returns, upgrade costs, accidental loss, damage to any rental car or excess payable for the rental car. If You withdraw Your claim or You submit a claim that We end up not accepting, You'll also have to refund Us any costs We paid You. Please refer to What's not covered (section 6).

5. BENEFITS

10. Windscreen, sunroof and window glass damage

Once per Insurance Period We'll pay for windscreen, sunroof and window glass damage if it's been accidentally broken or damaged as a result of one of the incidents listed in section 4.1 and there is no other damage to the Car. And the best part is that You do not need to pay an Excess.

Please refer to What's not covered (section 6).

11. Child seats and baby capsules

We'll reimburse You up to a total of $1,000 to replace any child seats or baby capsules that are damaged as a result of one of the incidents listed in section 4.1 with a similar seat or capsule. Just remember – if You have incurred these costs You must provide Us with invoices to support Your claim for this benefit.

Please refer to What's not covered (section 6).

12. Electric vehicles

We cover You for the vehicle battery, charging cables, wall boxes and adaptors for Your electric Car when a claim is covered as a result of damage under section 4.1. And just in case You are leasing this equipment, You guessed it, it will still be covered.

You're not covered for the cost of any injuries caused by someone tripping over the charging cable. Please refer to What's not covered (section 6).

13. Temporary cover for a replacement car

If You replace Your Car with another car within 30 days of selling Your Car during the Insurance Period, We will cover the replacement car on the terms set out in this Policy for a period of 14 days commencing on the date of purchase of the replacement car. If You wish to continue cover for the replacement car after the 14 day cover period:

- You must contact Us within the 14 day cover period;
- You must provide Us with full details of the replacement car necessary to apply for cover;
- We must agree to insure the replacement car; and
- You must pay any additional Premium that is payable to cover the replacement car.

Please refer to What's not covered (section 6).

14. Tools of trade

If Your tools of trade are damaged in an incident We have agreed to cover under section 4.1, We will pay the reasonable costs to repair or replace the tools of trade up to a maximum of $1,500. To claim this benefit You must have a Business Use Policy.

We won't cover any mobile telephones, laptops or any electronic items under this benefit. Please refer to What's not covered (section 6).

5.2 Car Value Boost option

When this option is selected, we will boost the Single Car Value by 15%. This updated Single Car Value, including the 'Car Value Boost,' will be displayed as a single figure on Your Insurance Certificate for each Car insured under this Policy. This option is available to select when You apply for Your Policy if Your Car has 15,000 km or more on the odometer.

6. WHAT'S NOT COVERED

Here's the sad bit: what's not covered by Your Policy - the items listed below are also known as the 'general exclusions'. There's a few and they're going to sound mean. Sorry, We still have to tell You about them.

Asbestos
We don't cover any liability, cost or expenses that arises or results from, or is in any way connected with asbestos, whether directly or indirectly.

Autopilot or autonomous driving
We don't cover any loss, damage or liability arising from the operation of Your Car in any autopilot, self-driving, autonomous or driver-assist modes, to the extent that operating Your Car in one of these modes caused or contributed to the incident. This exclusion does not apply where You or another licensed driver are in control of, and physically in, the Car.

Carrying or storing explosives, flammable or combustible substances and liquids illegally or not used for domestic purposes
If You carry or store explosives, or any flammable or combustible things in Your Car or Trailer that are not used for Your domestic purposes or are illegally carried or stored We don't cover You for any loss, damages or legal liabilities.

Communicable Disease
We don't cover any loss, damage or liability directly caused by a Communicable Disease or the threat or perceived threat of any Communicable Disease.

Consequential loss
We don't cover any consequential loss including any loss which results because You can't use Your Car or Trailer unless it is specifically covered under this Policy. This means We will not pay for direct or indirect financial or economic loss. For example, loss of use or enjoyment, loss of profits or depreciation.

Cyber
We don't cover:

- loss, damage, liability, claim, cost or expense directly or indirectly caused or contributed to by:
  - errors or omissions involving access to, processing of, use of or operation of any computer system or any unavailability or failure to access, process, use or operate any computer system; or
  - any unauthorised, malicious or criminal act (or any threat or hoax of this) involving access to, processing of, use of or operation of any computer system,

provided that this exclusion will not apply to physical loss or damage directly caused by an incident or event We cover You for under this Policy except if caused by vandalism or a malicious act. For example, We will not cover You if Your Car's GPS or security system cannot be used because of a cyber attack, but We will cover You for theft of Your Car if it is stolen after Your Car's security system is impacted by a cyber attack.

Data
We don't cover loss, damage, liability, claim, cost or expense directly or indirectly caused or contributed to by loss of use, reduction in functionality, repair, replacement, restoration or reproduction of any data including the value of any data.

Deliberate, malicious or criminal acts or misuse

7. CLAIM IT

Our first priority is making sure You're ok. Once You feel safe and comfortable, get in touch and We'll take care of Your claim for You. You just need to do the following:

7.1 Here's what to do first

Step One: Secure Your Car
Get Yourself and Your Car to a safe and secure place (if You can).

Step Two: Check Yourself and others
Check whether You or any other parties have any injuries and if needed call 000. If there are no injuries and the damage is minor, You won't need to call police. If You haven't been in an accident but the Car has been stolen or maliciously damaged, You must report the incident to police. If the incident is reported to police make sure You note down where You made the report, the police officer's name, and the incident number.

Step Three: Grab some details
If there has been an accident, ask the person You had the accident with for their:

- Name
- Address
- Car registration number;
- Car make and model;
- Insurance details;
- Telephone numbers; and
- Driver's licence number.

Were there any witnesses? Try and grab their details as well! If You feel alright to do so, try to take some photos.

Step Four: Contact Us
Once You've got all of the above, contact Us:

- Web: https://rollininsurance.com.au/claims
- Phone: 1300 116 257

We'll do all We can to help. If We accept Your claim, We're also happy to pay the reasonable cost of having Your Car towed for You to Our nearest authorised spot or talk You through any of the above process. **It's important that You do not do any of the following:**

- admit the incident was Your fault;
  - agree to pay for or repair damage to someone else's property;
  - get any repairs done to Your Car (other than essential emergency repairs) to ensure Your Car is roadworthy and safe - because We will do this for You; or
- intentionally leave out or give Us the wrong details.

Where the above has a detrimental impact to Rollin', Your claim may be reduced, refused and or Your Policy cancelled. We will assess the impact of the failing to meet these conditions and the extent it caused or contributed.

7.2 Making the claim

Our first priority is making sure You're ok. Once You feel safe and comfortable, get in touch and We'll take care of Your claim for You. You just need to do the following:

Show Us some proof of ownership
Got some receipts, invoices, photos or warranties that show Us You own Your Car or any other item covered under the Policy.

Show Us proof of loss or damage
We're gonna have to ask about the little details about the loss or damage to Your Car and if applicable, any other item covered under the Policy.

Let Us ask You some questions
We may have to ask You some other things, like if You can let Us see Your Car, or if You have another insurance policy that can help You. Once We grab all the details, We can take it from there. Just sit back and relax!

7. CLAIM IT

Keep Us in the loop
We've got major FOMO (fear of missing out). If a claim is made against You, We need You to reasonably co-operate with Us (even if We have already paid Your claim) which includes:

- letting Us know about any communication You receive about any claim as soon as reasonably possible, including any emails, letters, notices or court proceedings; and
- being cooperative as We negotiate, defend or settle Your claim. This could include You being interviewed by Us or our representatives or giving evidence in court.

If there is a dispute about the repairs to Your Car, You must give Us reasonable access to Your Car and move it if We ask You to or allowing Us to move it to a repairer or other specialist We choose so they can assess Your Car at a reasonable time.

Requesting information and Your cooperation
We will only request information or require Your reasonable cooperation where it is relevant to Your claim and will explain why the information, documents, cooperation and help is required.

7.3 Making the claim and what happens next?

"Soooooo, what happens next?"
We get to work. Just leave it to Us. We'll keep You up to date with what's happening - whether its estimated completion dates, appointment of a loss assessor, or if We need more info from You. We'll get this done as quickly and efficiently as possible.

Appointing others to represent You
You can appoint someone to manage Your claim for You like a family member, and We will not unreasonably withhold our consent. However, We could have a concern with, and not agree to dealing with a representative who has a conflict of interest for example, someone who supplies goods or services for Your claim such as a repairer. Just make sure You get our OK before proceeding. Oh and one last thing, We will not pay any costs for someone You appoint to represent You.

7.4 Case closed

If any of the incidents listed in section 4.1 happen and We accept Your claim, We will, at our discretion, repair or pay for the cost of repairing Your Car, replace Your Car or pay You the Single Car Value! Our choice will have regard to the circumstances of Your claim and consider any preference You may have. You will need to pay the Excess for any claim under the Policy unless We tell You that You don't have to pay it.

7.5 Repair Your Car or pay for Your Car to be repaired - We choose the repairer and parts policy

We'll contact someone from our authorised repair network to organise repairs on Your Car. We or Our agent will contact You to advise of the process for repairing Your Car. Make sure You don't start this process yourself!
Generally, We use the following parts to repair Your Car. If Your Car is:

- Less than 3 years from the date it was first registered, We use Genuine parts when reasonably available; and
- 3 years from the date it was first registered or older, We use:
  - Genuine parts when reasonably available;
  - quality reusable parts, or
  - parts that are not manufactured by a supplier of Your Car's original manufacturer.

Regardless of Your Car's age, We may use parts that are not Genuine Parts to replace Your Windscreen, window glass, sunroof, moonroof, radiator or air-conditioning components. We will only use quality reusable parts or parts that are not manufactured by a supplier of Your Car's original manufacturer when it:

- is consistent with the age and condition of Your Car;
- does not affect the safety or the structural integrity of Your Car;
- complies with Your Car manufacturer's specifications and applicable Australian Design Rules;
- does not adversely affect the way Your Car looks after it has been repaired; and
- does not void or affect the warranty provided by Your Car's manufacturer.

7. CLAIM IT

If We pay for Your Car to be repaired, Our assessor and/or partner repairer will let Us know how much it is.
Keep in mind that We don't repair undamaged areas of Your Car to create a uniform appearance (aka, We'll respray a damaged right panel, not the whole Car if the rest of the Car is undamaged). If You wish to have additional repairs completed to undamaged areas for example to ensure a uniform appearance, You may pay to do so or We will consider within the context of how best to settle Your claim.

Remember, We do, provide a Lifetime Repair Guarantee on authorised repairs (see section 5.1).

7.6 Replace Your Car or pay for a new car, credit provider's rights and legal liability claims

Replace Your Car or pay for a new car
If Your Car is a Total Loss, We can either replace Your Car if You are entitled to the 'Replacement after a Total Loss benefit' or pay You up to the Single Car Value (and You can use this to buy Yourself a new car... or a holiday).
Here's a few things to keep in mind.

- if We're not replacing Your Car, We'll pay You the Single Car Value minus any deductions (like any outstanding debt on Your Car owed to a creditor, Your unexpired registration, Your applicable Excess to a claim and CTP Insurance).
- whether We're replacing Your Car or paying You the Single Car Value, We'll still cover You for any benefits (see section 5) You are entitled to.
- Your Policy ends when We replace Your Car or pay You the Single Car Value and if We do this, We will take Your damaged Car and unfortunately that's it, We keep the salvage and will not refund any of Your paid premium. So it's goodbye old friend. If You have other Cars on the Policy Your Policy will continue in respect of those Cars only.

If You are entitled to the 'Replacement car after a Total Loss' benefit and the car cannot be sourced in Australia in the 8-week period from the date it is declared a Total Loss, You will have the option to select one of the following:

- Wait for a replacement car that has the same make, model, engine size, equipment level and paint type if it's available in Australia;
- Be paid the Single Car Value as printed on Your Insurance Certificate; or
- Be paid the purchase price of the insured car when You can produce a dealership receipt confirming proof of purchase and the purchase price.

Credit provider's rights
You must tell Us if You have used Your Car as security for a loan with a credit provider. This may also apply if You lease or have a hire purchase agreement on Your Car. If You have a credit provider, We:

- will treat the Car as being under a finance arrangement;
- treat anything said or done or claimed by You as something said or done or claimed by the credit provider; and
- may recover any payment in Your or the credit provider's name.

If We pay Your claim for a Car under finance as a Total Loss, after We make any deductions We will then first pay the credit provider the lower of:

- the Single Car Value; or
- the balance owing to the credit provider under the finance arrangement.

We will only pay the credit provider first if they give Us any help We ask for and You or the credit provider remove the Car from the Personal Property Security Register or similar register.

Got a legal liability claim?
We'll figure it out. If We accept Your claim under the Policy We'll:

- take over the matter and defend or settle any claim in Your name or the name of any person that is covered under Your Policy. We then decide how to defend or settle the claim; or
- represent You or any person covered under Your Policy, at an inquest, official enquiry and in court proceedings for any event covered by Your Policy.

P.S. The maximum amount We will pay for all claims arising from any one incident or series of incident is the Legal Liability Cap.

7. CLAIM IT

7.7 Claims examples

Here are some examples of how a claim might be paid. These are just examples and don't cover all situations that might come up. The examples also don't form part of the Policy terms and conditions.

Example 1: At fault incident
Your Insurance Certificate shows a Single Car Value of $20,000 and You as a Listed Driver. You run into the rear of another car and Your Car is towed to one of Our authorised repairers at a cost of $500. We accept Your claim and decide You are at fault for the collision and assess the cost to repair Your Car is $3,000.

We arrange for Your Car to be repaired. We pay the repairer $2,200 being the cost of repairs of $3,000 less the Basic Excess of $800. We also pay the towing company $500 under the Towing costs benefit. You need to pay the $800 Basic Excess direct to the repairer.

Example 2: Total Loss with hire car
Your Insurance Certificate shows a Single Car Value of $20,000 and You only as a Listed Driver. You let a friend drive Your Car and they have an accident with another car. Your Car is towed to one of Our authorised repairers at a cost of $150. We accept Your claim and decide the driver is at fault for the collision. The cost to repair Your Car is assessed at $20,500.

Your Car has $200 of unexpired registration and $300 of unexpired CTP Insurance. While We assess the damage to Your Car We arrange a hire car for You to use for 7 days at $45 per day.

As Your Car is uneconomical to repair (because the repair costs are higher than the Single Car Value), We decide that Your Car is a Total Loss. We pay You $16,500 being the Single Car Value of $20,000 less the unexpired registration of $200, less the unexpired CTP Insurance of $300, and less the Unlisted Driver Excess of $3,000. We also pay the hire car company $225 ($45 x 7) under the Transport benefit and the towing company $150 under the Towing costs benefit. We keep the damaged Car and do not refund any of Your paid premium.

You arrange the refund of $500 for the unexpired registration and CTP Insurance.

Example 3: Stolen Car Replacement
Your Insurance Certificate shows a Single Car Value of $20,000 and You as a Listed Driver. Your Car is stolen and is not recovered. At the time it was stolen Your Car had 10,000km on the odometer. We accept Your claim and at the time it was stolen Your Car has $200 of unexpired registration and $300 of unexpired CTP Insurance. While We assess Your claim, You incur ride sharing costs of $20 per day for 5 days to get to work.

We decide Your Car is a Total Loss as it has not been recovered. As Your Car had less than 15,000km on the odometer at the time it was stolen, We arrange and pay for a replacement car similar to Your Car and pay for 12 months registration and CTP Insurance for the new car. You arrange the refund of $500 for the unexpired registration and CTP Insurance for Your Car. You pay Us $1,200 being the amount of the unexpired registration and CTP Insurance plus the Basic Excess of $800 less the $100 ($20 x 5) for Your ride sharing costs We cover under the Transport benefit.

Example 4: Incident with an at fault driver
Your Insurance Certificate shows a Single Car Value of $20,000 and You as a Listed Driver. Another car runs into Your Car while You are driving. You get the name, address, telephone number, registration and insurance details of the other driver and car. We accept Your claim and decide the driver of the other car is entirely at fault for the accident and assess the cost to repair Your Car is $2,000. While the repairs to Your Car are completed, We arrange a hire car for You to use for 5 days at $45 per day.

We arrange for Your Car to be repaired. We pay the repairer $2,000 being the cost of repairs. There is no Excess payable as You were not at fault and have provided Us with the other driver's details. We pay the hire car company $225 ($45 x 5) under the Transport benefit. We will seek to recover the payments We have made from the driver of the other car.

7. CLAIM IT

Example 5: Liability claim for damage to someone else's property
Your Insurance Certificate shows a Single Car Value of $20,000 and You as a Listed Driver. While driving the Car, You lose control and crash into someone's front fence damaging the fence and garden. The home owner makes a claim against You for the repair costs to the fence and garden. You make a claim under the Policy for the home owner's claim against You and for damage to Your Car from the incident. We accept Your claim and decide You are at fault for the incident. We settle the home owner's claim against You for $8,000. We assess the cost to repair Your Car to be $3,000.

We pay $8,000 to the home owner in settlement of the home owner's claim against You. We also pay Our lawyers $2,000 to act on Your behalf in the home owner's claim. We arrange for Your Car to be repaired. We pay the repairer $2,200 being the cost of repairs of $3,000 less the Basic Excess of $800. You need to pay the $800 Basic Excess direct to the repairer.

Example 6: At fault incident where You are signed-up for Safe 'n Save and No trip is recorded in the ROLLiN' app
Your Insurance Certificate shows a Single Car Value of $28,000 and You as a Listed Driver, and Your Policy has Safe n' Save which requires You to use the Rollin' app (please refer to RoLLiN' app section 2.7). You run into the rear of another car and Your Car is towed to one of Our authorised repairers at a cost of $500.

We accept Your claim and decide You are at fault for the collision and assess the cost to repair Your Car is $6,000. The ROLLiN' app on Your smartphone was not recording at the time of the collision.

We arrange for Your Car to be repaired. We pay the repairer $4,500 being the cost of repairs of $6,000 less the No Trip Recorded Excess of $1,000. We also pay the towing company $500 under the Towing costs benefit. You need to pay the $1,000 No Trip Recorded Excess direct to the repairer.

8. RECOVERY RIGHTS

This part sums up what You're agreeing to when We cover You under Your Policy.

8.1 What We can do

When You make a claim under Your Policy, You agree that We may:

- take over and conduct in Your name the defence or settlement of any claim against You and We will have sole discretion in how the defence is conducted or a claim is settled;
- proceed and recover in Your name against any party responsible for the loss or damage or liability and You must not do anything which limits Our rights to do so; and
- represent You at an inquest or official enquiry.

You must not do anything that prevents Us from doing any of these things and You must give us all the information and cooperation that We require (See section 7.2).

8.2 What You can do

You can only take a recovery action in relation to any loss, damage or liability relating to a matter under this Policy if We agree in writing to this. We may not provide consent and We may impose conditions on that consent. If We don't provide consent, We can at any time take over conduct of, or require You cease, any recovery action taken by You.

9. LET'S CHAT COSTS

9.1 The cost of Your Car insurance aka Your premium

Your Premium is what You pay Us. We confirm this in Your monthly renewal invitation, and it's the amount We calculate for You based on Your 'risk profile' and includes the mandatory government fees (these are also on Your Insurance Certificate).

"Are You calling me a risk?!"
Only a risk worth taking! What We're trying to say is We calculate Your Premium based on a number of factors, including:

- the type and age of the Car You drive;
- how many kms You drive each year;
- how much it's worth;
- where it sleeps at night;
- whether You've decked Your Car out with accessories; and
- the age, gender and driving history of the Listed Drivers of Your Car; and
- any discounts that may be applicable.

For information about how We work out Your Premium, see Our Motor Insurance Premium, Excess and Discounts Guide. To get a free copy of Our Motor Insurance Premium, Excess and Discounts Guide visit https://www.rollininsurance.com.au

You must pay Your Premium by the Premium Due Date. Otherwise Your Policy will be cancelled.

9.2 Your Contribution to a claim (aka Excess)

Your Policy has three types of Excesses that You might need to pay towards a claim. There will only ever be one Excess applied to each claim. If You make a claim, We'll let You know:

- which Excess applies and how much it is;
- when and how to pay it; and
- who to pay it to – We can ask You to pay it to Us or another party (such as a repairer).

We won't proceed with or pay Your claim if the total amount We would pay for all loss or damage caused by an incident (as assessed by Us) is less than the Excess You need to pay. If We can recover the costs of Your claim from another person who was responsible for the incident, then We will also seek to recover Your Excess.

An Excess applies to all claims. However, there are some situations where You don't need to pay this. If:

- You aren't at fault for the incident; or
- Your Car was damaged while it was parked,

and You can provide Us with the name, address, telephone number, registration and insurance details of the party at fault to the incident, You do not need to pay an Excess for the claim. Easy as that.

No Excess will be payable by You if damage to Your Car has been caused by a deliberate act of a current or former spouse or partner. You do need to ensure any damage is reported to the police and You note down where You made the report, the police officer's name, and the incident number.

For more information about the Excesses that apply to Your Policy and when these will and will not apply, see our Motor Insurance Premium, Excess and Discounts Guide. To get a free copy of Our Motor Insurance Premium, Excess and Discounts Guide visit https://www.rollininsurance.com.au

You can only take a recovery action in relation to any loss, damage or liability relating to a matter under this Policy if We agree in writing to this. We may not provide consent and We may impose conditions on that consent. If We don't provide consent, We can at any time take over conduct of, or require You cease, any recovery action taken by You.

10. CANCELLING OR RENEWING THIS POLICY

10.1 When life gets in the way

Sometimes life happens, and things change. We get it. You can contact Us (section 2.8) at any time to cancel this Policy. Free of charge - it's on Us. If You cancel Your Policy, We'll refund the portion of Your Premium which covers the remaining period of insurance.

10.2 When We can cancel

It hurts Us to admit it, but sometimes We have to cancel policies. We will only do this if the law allows it.

When We cancel Your Policy, We'll refund the portion of Your Premium which covers the remaining period of insurance.

If We decide to pay Your claim as a Total Loss, the cover for Your Car under this Policy comes to an end. If You have more than one Car insured under the Policy, the remaining Cars will continue to be insured under the Policy.

10.3 Everything You need to know about renewing

To ensure You won't risk driving uninsured, We automatically renew Your Policy via direct debit or charging Your Account (as applicable) unless We let You know otherwise or if You ask Us to not renew it.

We'll be in touch no later than 14 days before the expiry date of Your current Policy with a monthly renewal invitation which will tell You when Your current Policy will expire, whether We are prepared to renew Your current Policy and if so, the terms of the renewal offered including Your renewal Premium and any changes to Your Policy. Make sure You review our renewal invitation carefully to check that any proposed renewed Policy will still suit Your needs. We may give You a copy of anything You have previously told Us and ask You to tell Us if it has changed. Note, each renewal equals a separate Policy, and not as an extension of the prior Policy.

Check Your Insurance Certificate to ensure all Your details are correct. If something has changed You need to let Us know in a reasonable time, please refer to section 2.3 Things changed?

If Your automatic renewal payment is rejected or not made by the Premium Due Date shown on the renewal invitation, We will cancel Your Policy. We will advise You of this.

If You don't want to take up Our renewal offered in a renewal invitation, do let Us know at least a day before the Premium Due Date.

10.4 If You're not happy, We're not happy

It's simple. You're Our first priority and if something has gone wrong, We want to fix it for You. If You have a complaint, please contact Us at support@rollininsurance.com.au and We will try to resolve the complaint for You and will aim to respond to You within 15 days.

If this step does not resolve Your complaint, You can refer the matter to Our Customer Relations area by asking Us or contacting Customer Relations who will provide You with a decision usually within 15 days of receiving Your dispute:

Tel: 1800 045 517
Email: customer.relations@iag.com.au

We expect Our procedures will deal fairly and quickly with Your complaint. If You are unhappy with the decision made by Customer Relations You may wish to seek an external review, such as referring the issue to the Australian Financial Complaints Authority (AFCA). The Premium for this Policy may include Goods and Services Tax (GST) and this amount will be shown on Your Insurance Certificate. Any claim payments under this Policy also include GST (including and relevant amount covered or the max We pay). Note: if You're entitled to claim any input tax credit (ITC) for repairs or replacement of insured property and other things, We'll reduce any claim under the insurance by the same amount as the ITC.

Please let Us know of any entitlements to ITC You have.

11.3 Financial Claims Scheme (FCS)

If We ever become insolvent (touch wood please), don't stress. You may be entitled to payment under the Federal Government's Financial Claims Scheme (FCS). Access to the scheme is subject to eligibility criteria. Check out further information at http://www.fcs.gov.au

11.4 Extra Help

We understand that there are circumstances in which You may need additional or alternative support or assistance. The General Insurance Code of Practice provides some examples and includes Your physical or mental health, family or financial situation, cultural background or disability. If You are comfortable, please call and tell Us about Your situation and We will work with You to arrange support. Further information about the support We provide, including Our Family and Domestic Violence policy, can be found on Our website: https://www.rollininsurance.com.au

11.5 General Insurance Code of Practice

If You want to check out the General Insurance Code of Practice We pride ourselves in having adopted, jump over to https://insurancecouncil.com.au/cop/. The Code outlines certain minimum standards of service that You should expect from insurers that have adopted the Code. The standards covered by the Code include buying and renewing insurance, claims handling and complaints handling. The website will also provide information about the Code Governance Committee. The Code Governance Committee is an independent body that monitors and enforces insurers' compliance with the Code.

We also adhere to the Motor Vehicle Insurance and Repair Industry Code of Conduct. If You've got some spare time, go check it out (http://abrcode.com.au), We hear it also gets some gears going.
