### Organic Facial

Using organic antioxidant-rich plant extracts and botanicals plus Australian essential oils, this personalised and deeply hydrating facial repairs skin, evens complexion and helps create a protective barrier to shield your skin from the elements. You will emerge from your facial journey replenished, invigorated and glowing.

### Relaxation Massage

Enjoy full-body relaxation using light/medium pressure with elements of Swedish and Shiatsu style massage for a profoundly calming effect. Each massage is customised, so you can relax and surrender beneath the knowing hands of your therapist.
