

2019 Secondary School Transfer

We are incredibly proud of all our Year 6 pupils who have achieved some remarkable secondary school outcomes this year. Not only have all pupils secured a school of their choice, both in the state and independent sector, an astonishing 75% of pupils have gained places to some of the top and most prestigious London Independent Schools. This superb achievement exemplifies the outstanding quality of education Hampden Gurney is able to offer.

We wish to congratulate all our Yr 6 pupils for their steadfast diligence, determination and exceptional work ethics to achieve such amazing results. We also wish to thank all our excellent staff and parents for their unwavering dedication and commitment to guide and support the children over the years.
