

Welcome to the Reading Cloud Guide

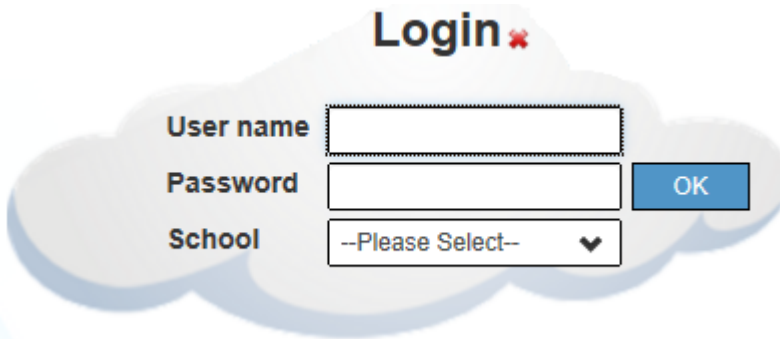

The Reading Cloud is a fantastic online reading community. When first loading the Reading Cloud users will be presented with the following screen.

Click on **Login** from the top right

This will then open the log in screen

Enter the normal **user name** and **password** used to log onto the library system. Under the **School** option type in the name of the school and select it from the list. Then click **OK** to login.

Once logged in the screen will change to show a [personal homepage](#) with options for writing reviews, connecting with other readers and learning about other books.
