

## **Behaviour Management Policy Support**

**September 2020**

The School have up-dated our Behaviour Management policy in line with our plans for the full-reopening of the school in the Autumn term. This modified policy will re-affirm our expectations and any sanctions the school will be making when the expectations are not being met.

### ***What children need to do:***

- *Children need to follow any altered routines for arrival, leaving from school and moving around during the school day.*
- *Children must follow the school's rules on handwashing and using sanitiser, including the use of toilets. They must meet the 'catch it, bin it, kill it' expectations. They must tell an adult if they feel unwell.*
- *Children should follow the rules about sharing equipment and other items. (specific equipment in a labelled plastic wallet will be provided by the school as well as a selection of learning equipment pupils may bring from home)*
- *Children follow adult instructions on group/who they can socialise with in class, at breaktimes and lunchtimes and where they can play*
- *Children must not share food or drink with others.*
- *Children must follow the school's rules and expectations to keep them safe both when in school and when working online when using remote learning.*
- *Above all, all children should demonstrate their usual respectful behaviour towards each other and adults. They should try their best to ensure the health and safety of others by following the teacher's instructions to avoid unnecessary contact.*

During this period, there will be a number of new "rules" that pupils will be expected to follow, and they will be given clear information about new procedures.

Pupils will be asked to follow new procedures in relation to:

- arriving at school and leaving at the end of the day as scheduled
- following instructions on who they can socialise with at school – children will be expected to stay strictly within the group they are allocated to, and not spend time with anyone from another group
- moving around the school as per specific instructions (for example, one-way systems, out of bounds areas, queuing)
- following school instructions on hygiene, such as handwashing and sanitising
- expectations about sneezing, coughing, tissues and disposal and avoiding touching their mouth, nose and eyes with hands
- telling an adult if they are experiencing symptoms of coronavirus
- following new rules about sharing any equipment or other items including drinking bottles
- new expectations about breaks, lunch or play times, including where children may or may not play
- new rules about lunchtimes in school
