EVEXIADIRECT CLINICIAN AGREEMENT AND PAYMENT AUTHORIZATION

The following is the EvexiaDirect Clinician Agreement and Payment Authorization between Evexia Diagnostics, Inc. (“EDI”), a wholly owned subsidiary of Evexia Holdings, Inc. (“Evexia”) and you, the clinician/client of EDI (“Clinician” or “Client”). Once a Client’s patient(s) register for the Evexia Direct program (“Registered Patients”), they will become party to a separate agreement that governs the relationship between the Registered Patients and EDI under EvexiaDirect. Throughout this agreement (hereinafter the “Agreement”), you will be referred to as “Client”, “You” or “Your” in the possessive.

GENERAL

EvexiaDirect is a payment program provided by EDI to its existing clients as an alternative to EDI’s standard client payment agreement. Under EvexiaDirect, a Client’s Registered Patients will pay EDI directly for lab tests/panels and/or Evexia Nutraceuticals products ordered by the Client, thereby removing the Client from the billing and payment process.

PRICING FOR EDI LAB TEST/PANELS

EDI will charge Registered Patients the published EDI Client Price for all EDI lab tests/panels. EDI will charge the patient a 3% Program Fee for all transactions.

EVEXIA NUTRACEUTICALS PRODUCTS

A Registered Patient is billed directly and pays the published retail price for all Evexia Nutraceuticals products.

CONDITIONS OF USE

In order to enroll in the EvexiaDirect program, the Client must acknowledge and agree as follows:

NOT AVAILABLE FOR BENEFICIARIES OF INSURANCE OR MEDICARE/MEDICAID

Client will not use EvexiaDirect for any lab tests/panels that are subject to, or will be paid by, any insurance company or any federal health care program, including Medicaid or Medicare, and Client agrees not to refer any patient to the program who may be expecting any federal health care program to reimburse them for fees paid to EDI. Patients who are eligible for Medicaid or Medicare may still use Evexia Direct,

but only if they agree to waive any federal health care program coverage for the lab panels/tests administered under EvexiaDirect.

PAYMENT AUTHORIZATION AND ENTIRE AGREEMENT

EDI requires payment through either Automatic Withdrawal (ACH) via a valid U.S. financial institution checking account or by way of Visa, MasterCard, Discover or American Express credit cards. This is a legal agreement between the Client and EDI, stating the terms that govern Client's payment obligations to EDI. This Agreement, together with all updates, additional terms, and all of EDI's rules and policies, collectively constitute the payment Agreement between the Client and EDI. This version of the EVEXIADIRECT AGREEMENT AND PAYMENT AUTHORIZATION supersedes all previous versions. Client must accept and abide by these terms as presented. Changes, additions, deletions are not acceptable, and EDI may terminate your account for noncompliance with any part of this Agreement. This Agreement must be signed in order for the Client to enroll in EvexiaDirect.

COMPLIANCE WITH STATE AND LOCAL LAW

Client is solely responsible to ensure that the EvexiaDirect program is in full compliance with all applicable state and local laws as well as any professional or organizational rules or regulations. EDI takes no responsibility if Client's participation in the EvexiaDirect program is in violation of any of said laws, rules, or regulations.

METHOD OF PAYMENT

A valid credit card or U.S. financial institution checking account number must be on file with EDI at all times for the Client. Either method of payment requires that Client be the authorized signer on the account(s) and that EDI is authorized to keep this information on file. Client acknowledges that by signing this document, Client is authorizing EDI to bill Client's account for any service rendered should EDI not be able to realize payment directly from Client's Registered Patient after 15 days of collections activities.

REFLEX AND CASCADING TESTS

Certain LabCorp tests are designated with an asterisk (*) on the EvexiaDirect test menu as subject to possible "reflex" or "cascading" tests. Occasionally, the results of these tests may automatically trigger additional testing of the same specimen or specimens, otherwise known as "Reflex" or "Cascading" tests. These tests are typically billed directly to Evexia 30-90 days after the original tests are ordered. As part of their registration, Registered Patients will be required to authorize EDI to bill Registered Patients for these
