Baha'i Centre, 46 Bloomsbury Street, W.C.1.

No.4.

January, 1938.

Dear Friends,

Baha'u'llah has given us the certitude that His Dispensation would achieve its end and purpose. Our numbers, resources and attainments may seem unimportant and insignificant to a world well-nigh despairing of peace and security; but ours is the paramount duty to realize that through us the regenerative power of the Word of God can function in its plenitude, if we obey His Call and rise to the full stature of servitude at His Threshold. His promise is clear and emphatic: "By My Self! The day is approaching when We will have rolled up the "world and all that is therein, and spread out a new order in its stead. "He, verily, is powerful over all things".

And here is a warning uttered by 'Abdul-Baha: "O, my friends, arise to tend "the pure and widely scattered seed planted in the hearts of men. "Dedicate yourselves wholly to the service of humanity. Then will the world "be turned into a paradise; then will the world be turned into a paradise; "then will the surface of the earth mirror forth the glory of the Abha Kingdom. "Should you fail in this, great will be your deprivation and grievous your loss".

Treasurer's Report.

It is possible to meet the current expenses and the monthly bills, if donations come in as usual. We are not yet in a position to make contributions to the National Fund. Not until we have risen to shoulder our responsibilities towards the National Spiritual Assembly, can we be in a sound financial position.

Donations to the Baha'i funds are voluntary offerings of love and devotion, and so the factor which counts is an incessant flow.

Room Committee's Report:

We are grateful to Mrs. Kathleen Hyett and Mr. Harry Joseph of Manchester for their kind gifts of material for curtains and covers in the meeting room.
