September 1938.

Dear Friends,

Let us recall the Will and Testament of the Master: "In these days the most important of all things is the guidance of the nations and peoples of the world. Teaching the Cause is of utmost importance, for it is the head corner-stone of the foundation itself. This wronged servant has spent his days and nights in promoting the Cause and urging the peoples to service. He rested not a moment, till the fame of the Cause of God was noised abroad in the world and the celestial strains from the Abhá Kingdom roused the East and the West. The beloved of God must also follow the same example. This is the secret of faithfulness, this is the requirement of servitude to the threshold of Bahá."

Our duty is crystal clear. Ours is the privilege to tell the world that in the midst of chaos and affliction the Kingdom of God is taking shape here on this earth.

A supreme effort at teaching is urgently called for at the present time. We have to pool our resources and, trusting in the guidance of Bahá'u'lláh, launch a truly vigorous campaign. To that end a SPECIAL MEETING, similar to the one arranged last June, will be held on Friday, September 16th, at 7.30 p.m., to make teaching plans. The Spiritual Assembly has formulated a scheme which will be presented for consultation.

Do your utmost to come. Much depends upon this Meeting.
