November 1938.

"Let thy soul glow with the flame of this undying Fire that burneth in the midmost heart of the world, in such wise that the waters of the Universe shall be powerless to cool down its ardour."
(Baha'u'llah)

Dear Friends,

Reports of Teaching activities are very encouraging. Our Teaching Campaign is gathering momentum. Still happier news is the steadily increasing attendance at the 19-Day Feasts. Before us stretches an illimitable field of service and sacrifice. The more we grow conscious of our responsibilities, the more intensified will be our striving, and thus, the more shall we draw from that abundant Grace vouchsafed to us by Baha'u'llah.

Another SPECIAL MEETING is called to hear the reports of the Regional Groups and consult on the Teaching Campaign. It will be on the "Day of the Covenant" - Saturday, November 26th, at 4 p.m. Let us make this day, blessed by the memory of the Master, an occasion of joy, fellowship and constructive work.

FUNDS: The Treasurer's Report is a witness to the sustained efforts of the Friends. There is a surplus of nearly £8. at the close of October. It should however be noted that the Assembly has not yet restored the cuts in some necessary items of expenditure, such as the printing of monthly notices. Still greater efforts are required to maintain our finances on a sound level and to carry through the Teaching Campaign.
