## LONDON BAHA'I BULLETIN

Baha'i Centre, 46 Bloomsbury Street, W.C.l.

February 1939.

"I pray Thee, O Thou Who art the Lord of all names and the Ruler of both earth and heaven, to grant that all who are dear to Thee may each become a cup of Thy mercy in Thy days, that they may quicken the hearts of Thy servants. Empower them also, O my God, to be as the rain that poureth down from the clouds of Thy grace, and as the winds that waft the vernal fragrances of Thy lovingkindness, that through them the soil of the hearts of Thy creatures may be clad with verdure, and may bring forth the things that will shed their fragrance over all Thy dominion, so that every one may perceive the sweet smell of the Robe of Thy Revelation."

(Prayers and Meditations by Baha'u'llah, p.191)

Dear Friends,

No.16.

The January issue of the "Baha'i Journal" bears a Message from the Guardian. Let this Message invade our consciousness.

The <u>SPECIAL MEETING</u> will be held on <u>Friday</u>, <u>February 16th</u>, at 7.30 p.m., Your attendance is necessary. The last 19-Day Feast was truly creative. The <u>Special Meeting must attain greater heights</u>. And thus shall be the progress of the Cause in this day of golden opportunity.

FUNDS: There is an improvement in the condition of the funds, but the effort needs to be maintained, to make the financial condition more secure.

On Friday night burglars broke into the Centre and took away all the cash on the premises - from various money boxes. The "New World Order" was the chief sufferer. So far as can be ascertained, about £10, has been lost. As a community we shall have to make an effort to make good the loss.
