

"The source of all good is trust in God, submission unto His Command, and contentment in His holy will and pleasure.

"The essence of wisdom is the fear of God, the dread of His scourge and the apprehension of His justice and decree.

"The essence of love is for man to turn his heart to the Beloved One, and sever himself from all else but God, and desire naught save that which is the desire of his Lord." (Words of Wisdom by Baha'u'llah)

Commemoration of the Passing of Baha'u'llah. The Guardian has said that when possible we should commemorate such an event as this at the actual time of day when it took place. The Assembly has therefore decided that this year we should have a Commemoration Meeting at the proper time of 3 am. The Centre will be open from 11 pm. on Saturday night, when refreshments will be served. During the whole night the front room will be set apart for prayer and meditation only, and the actual Commemoration Meeting will take place there at 3 am. Friends can remain at the Centre until transport is running again and can then return to their homes.

Mr. St. Barbe Baker is sailing for America on May 10th in the "Aquitania" and will be away for two months. His address will be: 18 Gramercy Park, New York City, and he will be very glad to hear from any of the friends. He will return just in time to give his talk at the Baha'i Summer School.
