"He that seeketh to be a helper of God in this Day, let him close his eyes to whatever he may possess, and open them to the Things of God."
(Bahá'u'lláh)

Beloved Friends,

Here is a letter we have received from the National Spiritual Assembly:

"We should like to thank you for having received Dorothy Ferraby as National Assembly representative, as we requested, and for the helpful consultation with her. We are sorry, however, that not more were able to attend the meeting.

"Your comments that only knowledgeable teachers should be sent out and that a survey of questions frequently asked should be prepared to help speakers, have been passed to the National Teaching Committee.

"We look forward to continuing to receive your staunch co-operation during the forthcoming period, and hope that the confirmations of Bahá'u'lláh may bless all your local work. We sincerely hope that you will be able to maintain and increase your contribution to the Six Year Plan."

With loving greetings,
In His Fellowship,
The London Spiritual Assembly.
