'ULÁ 105, BAHÁ 106

March 1949

"Assist me, by Thy strengthening grace, O my Lord, to do what Thou didst will, and withhold not from me the things Thou dost possess. So enravish me with the wonders of Thine utterances that the noise and distraction of this world may be powerless to deter me from turning unto Thee, and may fail to shake my constancy in Thy Cause, or to distract my gaze from the horizon of Thy grace.
