

"O My servants! The one true God is My witness! This most great, this fathomless and surging ocean is near, astonishingly near, unto you. Behold it is closer to you than your life-vein! Swift as the twinkling of an eye ye can, if ye but wish it, reach and partake of this imperishable favour, this God-given Grace, this incorruptible gift, this most potent and unspeakably glorious bounty."

Bahá'u'lláh
