## Our Visitors

We have been most happy to meet Dr. Faridi of Paris, and Mr. Sami Doktoroglu of Istanbul. Mr. Doktoroglu was on his way back from the Second Intercontinental Conference in Wilmette, and told us of that soul-stirring occasion at the Nineteen-Day Feast of Azamat.

## News from the National Spiritual Assembly

1. Three main Teaching Committees have been appointed: National Teaching Committee, Africa Committee, European and Asian Teaching Committee.
2. Miss Beth Simpson, an isolated believer, suffers from a chronic illness, and has recently again been taken to hospital. Friends are asked to pray for her.
3. The National Fund urgently needs immediate and increased contributions. The National Treasurer is able to pay bills only as money becomes available. "We ask for the earnest prayers of all that the work will not be interrupted by lack of funds."
4. The Summer School will be held at Buxton from Saturday, August 29th to Saturday, September 5th. Accommodation is limited. Please book early.

Gifts of tea and sugar for use at the Centre, will be greatly appreciated.
