No.188

March 1954

"Whoso reciteth in the privacy of his chamber, the verses revealed by God, the scattering angels of the Almighty shall scatter abroad the fragrance of the words uttered by his mouth, and shall cause the heart of every righteous man to throb. Though he may, at first, remain unaware of its effect, yet the virtue of the grace vouchsafed unto him must needs sooner or later exercise its influence upon his soul."

(Bahá'u'lláh)

Meetings at Reading      -      The George Inn

Mondays, March 1st and March 15th - 7 p.m.

Our Community      The most loving welcome to Mr. Shozo Kadota and Mr. Frank Addo, who have come to our Community from Japan and Liberia respectively.

We have been most happy to meet Mr. Aldham Robarts, who is on his way from Toronto, Canada, to pioneer in Ashanti.

Mrs. Doris Ballard has left for Africa. We will never forget the magnificent work which she did for our Community.

Treasurer's Report      There is a deficit of £18. Please wipe it out. Moreover, we are the largest Community in the country with twelve delegates in the National Convention of this year. Our contributions to the National Fund must be correspondingly greater. The excellent work done in Reading requires our support. Let us all rise to the occasion.

Gifts of tea for use at the Centre,  
will be greatly appreciated.
