March 1957

"This is the King of Days, the Day that hath seen the coming of the Best-Beloved, Him Who through all eternity hath been acclaimed the Desire of the World. The world of being shineth in this Day with the resplendency of this Divine Revelation. All created things extol its saving grace and sing its praises. The universe is wrapt in an ecstasy of joy and gladness. The Scriptures of past Dispensations celebrate the great jubilee that must needs greet this most Great Day of God. Well is it with him that hath lived to see this Day and hath recognized its station."

APPEAL FOR TEACHERS

Can you go for a long teaching trip from one week up to three or four weeks, to one of the following towns, in this order of priority: Portsmouth, Cambridge, Brighton? This will be a great service.

Teachers for week-day or week-end meetings in the South-East Region, are also very much needed. The Regional Teaching Committee can to some extent offer financial help for these visits.

If you can undertake any of the above-mentioned teaching trips, please let the Spiritual Assembly or the local Teaching Committee know.

LONDON BAHÁ'Í FUND

Increase in contributions is urgent, so that we can extend our teaching activities, and give adequately to the National Fund, which is after all our duty. The minimum required remains at £1 a day, £19 every nineteen days.

Are we all contributing?

LET US ASK OURSELVES

1. Are we teaching the Faith?
2. Are we contributing to the Funds?
3. Are we attending the 19-Day Feast?
