"Enable Thy servants, O my God, to discover the things Thou didst desire for them in Thy Kingdom. Acquaint them, moreover, with what He Who is the origin of Thy most excellent titles hath, in His love for Thee, been willing to bear for the sake of the regeneration of their souls, that they may haste to attain the river that is Life indeed, and ~~turn~~ their faces in the direction of Thy Name, the Most Merciful. Abandon them not to themselves, O my God! Draw them, by Thy bountiful favour, to the heaven of Thine inspiration." (Bahá'ulláh!)

This Bulletin was not issued in August, and regretfully this issue is late.

Our Community.

We have been so blessed and so honoured by the visit of hundreds of Friends from nearly sixty countries, amongst them the revered Hands of the Cause of God, Mr. Z. KHADIM and Mr. J. KHAZEH. It is impossible to name them all here. However, we would like to mention one of these beloved Friends, Mr. HABIB HAZARI who was a member of our spiritual assembly, when he left in November, 1954 and whose services we shall remember with gratitude.

Mr. and Mrs. HEDAYATI and Mr. and Mrs. TREVOR JONES have left London.

FINANCES : Visitors to London have been very generous with their contributions to our Funds. We have been given over eighty pounds in cash and another appreciable sum is pledged. These gifts of love and devotion will help us to undertake publicity and advertisement. But our own duty remains to support the Fund to the utmost of our ability. What we have been given, challenges us to give more.
