Sultan, Mulk 116

February 1960

"This Day a door is open wider than both heaven and earth. The eye of the mercy of Him Who is the Desire of the worlds is turned towards all men. An act, however infinitesimal, is, when viewed in the mirror of the knowledge of God, mightier than a mountain. Every drop proffered in His path is as the sea in that mirror. For this is the Day which the one true God, glorified be He, hath announced in all His Books unto His Prophets and His Messengers." Bahá'u'lláh

Friends can have the original returned or a copy as they wish. This action is being taken at the request of the Hands of the Cause in Haifa.
