HAND OF THE CAUSE

Nearly 100 friends from London and many parts of the country (Canterbury, Reading, Norwich to name a few) attended the Meeting on Sunday, 17th July at The Haziratu'l-Quds to hear Hasan Balyuzi discuss the Faith and answer the many questions put to him. It was a very happy and fruitful gathering, the theme of which can be summed up in the following quotation.

"Know that nothing will benefit thee in this life save supplication and invocation unto God, service in his vineyard, and, with a heart full of love, to be in constant servitude to Him."

'Abdu'l-Bahá

DECLARATIONS

We offer a very warm welcome to Miss Heather Morfoot and Miss Patricia Baillie who recently declared themselves as members of The London Community.

PIONEERS

It was a great joy to welcome Ursula and Mehdi Samandari, who have returned after 7½ years pioneering work in Africa. They will be staying in this country for only a few weeks.

LOST, STOLEN OR STRAYED ?

The London Lending Library is short of books. WHY? Too many out on loan for too long. Please help the new Librarian by checking your own loans, or those of your friends or contacts. It is important that all book loans are entered in the record book and returned, if possible, in two weeks.

LONDON FUND

The financial position, as on 12th July 1960, is very disappointing. After incurring minimum necessary expenditure we are short by £61 to make both ends meet. PLEASE REMEMBER:

- I. we have to make up this excess expenditure of £61.
- II. we have to continue our efforts to fulfil the target of £500 during the current Baha'i year.
- III. there is a new Treasurer this year. He is Eruch Munsiff and his address, 43 Holland Road, London, W.14.
- IV. cheques to be in the name of "London Baha'i Fund"

YOUR IMMEDIATE & SUSTAINED SUPPORT IS ABSOLUTELY NECESSARY.
