

O my friends, arise to tend the pure and widely - scattered seed planted in the hearts of men. Dedicate yourselves wholly to the service of humanity. Then will the world be turned into a paradise; then will the surface of the earth mirror forth the glory of the Abhá Kingdom. Should you fail in this, great will be your deprivation and grievous your loss.

'Abdu'l-Bahá

" 29th) to press.

DECLARATION (London)

We are very happy to welcome to the Faith Mrs. W. Pratley, who will be moving to Berkshire in the near future.

YOUTH

A week-end school is to be held in Canterbury on 17th and 18th September by the National Bahá'í Youth. You will be receiving full particulars in due course, and we ask that you give your earnest consideration to supporting their venture.

VISITORS from Germany, Denmark, Sweden, Ethiopia, Nova Scotia and Jamaica enriched the 19 Day Feast of Kamál (20th August) with their presence and their loving greetings.

Miss Sheea Headlam, from the Kingston Community of Jamaica, has come to stay in this country for a considerable time and becomes a strong addition, for the time being, to the London Community, and we offer her our warmest greetings.

W H Y is it difficult to borrow the books you require from the London Lending Library? It is because they are still lost, stolen or forgotten by some of the friends or their contacts and the longer the time, the harder to find, so please help the Librarian NOW and avoid having this paragraph repeated next month.

THE BAHÁ'Í SUPPER in August was enjoyed by 61 persons including 17 non-Bahá'ís. The Supper helped to collect £9. 0s. 6d. for the fund besides giving a nice social evening. It also helped a friend to write out her letter of declaration three days after the evening.

The next Supper evening will be on Friday, September 9th (7.30 p.m. sharp). Those wanting to join should pay 5/- per head to Meherangiz Munsiff (WES. 0562). Please advise.

At the next meeting, a debate will be held, with the motion: "This house is of the opinion that the youngsters of today are going to the dogs." The motion will be supported by three youngsters and opposed by three grown-ups. It should be fun!!
