"Let the light of truth and honesty shine from your faces so that all may know that your word, in business and pleasure is a word to trust and be sure of. Forget self and work for the whole."

THE KEW PICNIC despite all attempts by the wet weather, was still a success. Thirty Bahá'is and friends turned up and stayed till 7.0 - an admirable effort. Some of the visitors hoped that further picnics could be arranged, such as a coach trip to Canterbury or Winchester, and this matter will be borne in mind by the L.T.C. at their next meeting. THE FIRST COFFEE EVENING was also successful, pleasantly informal and informative, but it is hoped that more contacts can be encouraged to come and take part. It is felt that there is a great future in this sort of teaching medium.

AT THE LAST FEAST we were blessed by a visit from the Reverend Hand of the Cause Dr. Mulschlegel, who spoke particularly on the need for more love towards each other, both in and out of the Faith. Later he gave a running commentary on his colour slides, depicting his journey from London to Haifa, and finally we were given the privilege of seeing two coloured slides of Abdu'l Bahá.

It was also a great pleasure to see our very dear friend, Kathleen Hornell again. Other welcome visitors were Dr. Ramzi (Persian N.S.A. Member), Miss Thelma Perks from Australia, and Mrs. D. Holley from Haifa, visiting London on her way to pioneer in Switzerland.

ROMFORD EXTENSION TEACHING Romford is within easy reach of London, so here is a chance to do some local pioneering to help those already there. Public Meetings will be advised later.
