DOMINION - YEAR 118

February 1962

"Not by the force of members, not by the mere opposition of a set of new and noble principles, not by an organised campaign of teaching - no matter how elaborate in its character - not even by the staunchness of our Faith or the exaltation of our enthusiasm, can we ultimately hope to vindicate in the eyes of a critical and sceptical age the supreme claim of the Abhá Revelation. One thing and only one thing will unfailingly and alone secure the undoubted triumph of this sacred Cause namely, the extent to which our own inner life and private character mirror forth in their manifold aspects the splendour of those eternal principles proclaimed by Bahá'u'lláh."

Shoghi Effendi.

DECLARATION

It was with great happiness we welcomed Felix Balyuzi to the London Community at his first 19-Day Feast on the 19th January.

TEACHING ITEM

The L.T.C. would like the friends to enquire from their local librarian, book shops, restaurants etc. whether they would be willing to display the London Thursday evening meeting cards etc.

These cards and notices can be obtained from Miss Heather Morfoot, either at The Centre or write to her at 25, Well Walk, Hampstead, N.W.3.

WORLD RELIGION DAY

Now gone, but long to be remembered. To The London Teaching Committee and all those who so ably helped to make the evening meeting at the Kensington Library such a great success, many congratulations and heartfelt thanks.

LOSS

It is with sadness and a deep feeling of loss that we report the passing of Mr. H. Backwell, pioneer in Canterbury from the London Community. Our prayers and thoughts go out to Mrs. G. Backwell, Dick, Vida and his family.

Miss A. Grimshaw also passed away. Many of the older friends will remember her and her devotion to the Faith.

PUBLIC MEETINGS

More of the friends are asked to attend the Thursday evening Public Meetings (where so many non-Bahá'is now attend) Friendliness and attention will assist the Speaker in attracting these strangers to our Faith.

As Abdu'l-Bahá said: "I hope that whosoever hears your words, sees your deeds and beholds your manners and behaviour, may declare that these people are real Bahá'is the incarnation of love and amity."

VISITORS

We were happy to have with us again Raffi and Mildred Mottahedah, and specially welcome after her long absence in Persia, Mrs. Changizi, (better known as Christine Wade) and her two delightful children.

REMINDER

The Guardian was the soul of punctuality; let us all strive to follow him in this respect, even better, be five minutes early.
