19-DAY FEASTS

Friday, 5th June (8 p.m.) Hosts: Mr. and Mrs. Gollestaneh
 Wednesday, 24th June (8 p.m.) Hosts: Mr. and Mrs. Youseffian

It is necessary to draw the attention of all Bahá'ís that they are welcome to invite their non-Bahá'í friends to 19-Day Feasts, but the 'business' part of the Feast is exclusively meant for the Bahá'ís. The non-Bahá'í friends should be escorted out of the meeting room by their hosts before the 'business' starts. Co-operation of the Community in this matter will be greatly appreciated.

NATIONAL CONVENTION

It was attended by a large number of Bahá'ís from all over the British Isles. London friends were particularly fortunate, as it was held in London, and we had the most benefit. It was an inspiring Convention to launch the 9-Year Plan. All present left the Convention with a dedicated zeal to play their full role in helping the entire Community to achieve the goals and objectives of the Plan.

London Assembly is considering the appointment of a new major Committee for the 9-Year Plan. The work and achievements of this Committee would largely depend on the co-operation, help and enthusiasm to be offered by the Community.

LONDON BULLETIN EDITOR

The Assembly has asked Eruch Munsiff to continue to serve as Editor of the London Bahá'í Bulletin and he has agreed. Please send all news items you would like to share with the Community to the Editor regularly.

DRAMATIZED PRESENTATION OF BAHÁ'Í THEMES

Duly encouraged by the over-whelming support of the Community and its great success on the last World Religion Day, the Assembly has decided to stage such themes, if possible each month, in large public halls. They will serve the need of presenting the Faith in an impressive and effective manner. Furthermore, it is also hoped that some admission fee should be charged and the proceeds donated to certain recognized needy charitable institutions. The plans for these programmes are at present being considered. Before they take final shape, it is necessary to send out an urgent appeal to the Community for their co-operation and help. There will be a variety of ways in which the friends can actively help. For the present, the only thing to be done, for those willing to help in this great adventure, is to give their names, addresses and telephone numbers to Eruch Munsiff (Residence: PUTney 8472. Office: TEMple Bar 8484). Eruch will, later on, get in touch with those who have kindly volunteered to help, discuss their requirements and offer suitable assignments to be carried out. THIS IS IMPORTANT AND YOUR CO-OPERATION IS INVITED.
