L.S.A. SECRETARY

Mrs. Kathleen Hyett, who has served the London L.S.A. as Secretary for a number of years, has resigned her 'Secretaryship' to serve on the National Pioneering Committee. We thank Kathleen for her devoted services to London and wish her every success in her new assignment. Kathleen would continue to be a member of the L.S.A.

The Assembly has not been able to elect another Secretary but hopes to do so in the first week of September.

BAHA'I FUNDS

With the starting of the 9 Year Plan, various Baha'i Funds need continuous and **generous** support. It is necessary to urge the friends to support the National and Local (London) Funds particularly, so that the tasks assigned to the British Baha'is can be speedily and successfully completed.

For the National Fund, the friends are requested to study N.S.A's August 1964 letter sent to each believer and to act quickly, by sending their contributions to the National Treasurer.

As regards the London Fund, it continues to be in a very sorry state with a deficit. It is hoped that the friends would send their contributions (large or small) to the Treasurer (Eruch Munsiff, 28, Inner Park Road, S.W.19) immediately to ensure that the deficit is removed without any delay.

London Treasurer gratefully acknowledges the contributions sent by the old Baha'is whom we do not meet these days but whose stimulating spirit is always with us.

9 YEAR PLAN COMMITTEE.

The Assembly has approved the appointment of Mrs. Prudence Lowe in place of Miss Margaret Houlston, who resigned.

TELEVISION

We are happy to report that our good friend Mr. Mukasa appeared on the television religious programme on the night of Sunday 23rd August and made a reference to the spread of the Baha'i Faith in Africa.

VISITORS

Recently London was fortunate in having a number of Baha'i visitors from abroad. It is not possible to mention the names of all of them. However we were glad to see Ethel and Jessi Ravell and Marion Micheloff visiting us from the Baha'i World Centre.

CHILDREN'S SECTION.

Hullo dear Children.....

..... we, Aunty Audrey and Aunty Christine are here with you again.

How did you enjoy your Children's Section in August Bulletin? We hope you enjoyed it very much. And did you learn that little prayer by heart? We are sure, you did.

TODAY we shall tell you a little story. It is not exactly a story, but very much like a story. It was given by Abdul-Baha. He was a very kind, gentle and loving old man. Probably his photograph is in your home. He had a beautiful long white beard and wore a nice turban.

Now let us begin his story:

"Behold a beautiful garden, full of flowers, shrubs and trees. Each flower has a different charm, a peculiar beauty, its own delicious perfume and beautiful colour. The trees too .... how varied are they in size, in growth, in foliage and what different fruits they bear! Yet all these flowers, shrubs and trees spring from the self same earth, the same sun shines upon them, and the same clouds give them rain.

So is it with Humanity.... it is made up of many races, and it's people are of different colour - white, black, yellow, brown and red.... but all come from the same GOD and all are servants to HIM."

So that is the story. Can you tell this story to your parents and friends in your own words?

You would like to draw this garden in different colours on a large piece of paper.....won't you?

Please send your drawing with your name and address to:-

Aunty Audrey and Aunty Christine,  
Baha'i Centre,  
27, Rutland Gate, S.W.7.

Will be with you next month again.  
So long, tell then.... God bless you dear children  
and be good Baha'is.
