ROOMS AND SUITES

STAY OF EMOTIONS

All 100 rooms, including 8 single rooms and 7 junior suites, are decorated in different styles and preserve the old elements such as furniture, lamps, handles and double casement windows. At Parkhotel Laurin, the rooms are designed as places of retreat and tranquility, so they are acoustically isolated, equipped with soft beds, soft terry bathrobes and an elegant grooming set. The guest feels at home because nothing is missing: free Wi-Fi connection, light switch on the bedside table, interactive satellite TV with radio, tea corner, pillow menu, minibar, safe. Also the view that you can enjoy from the room is different: from the hotel's own park to the bell tower of the Bolzano Cathedral to the nearby Dolomites.

On request, we offer some additional suites by simply connecting rooms: ideal for business clients and families with children or with an exclusive access to the roof terrace overlooking the city center.

The only exceptions are the standard rooms and junior suites. The former are mostly equipped with a double bed and a bathtub in the bathroom. The Junior Suites, on the other hand, are divided into two areas: the living area, a small room with TV, sofa and balcony, and the sleeping area, in addition to the spacious marble bathroom with bathtub and shower, and all offer spectacular views of the park and the city's cathedral.

FOOD, MUSIC AND EVENTS

A 360° EXPERIENCE THAT NEVER STOPS

The 30-seat Laurin Restaurant is housed in an Art Nouveau hall, and the adjacent Mirror Salon seats another 30. On mild days, you can also dine on the terrace at the front of the hotel. From June to September, the show-cooking restaurant opens in the park and offers 70 guests a unique culinary experience. Regional and Mediterranean cuisine is offered, using high-quality seasonal products, accompanied by a selection of 400 regional, Italian and international wines.

However, the most popular meeting place in Bolzano for a cappuccino and a brioche, for a tasty break with quick dishes, an aperitif or an after-dinner drink, for evening live concerts where international and famous artists perform, is the Laurin Bar & Bistro, also called the living room of the city. Surrounded by two terraces and with a cigar lounge, it is a unique place where you can spend a holiday for every taste.

Even for the most refined tastes, there is a jewel in the garden where guests can enjoy a 360° experience: The gourmet restaurant ConTanima in the brand new Glass House, whose cuisine combines tradition and innovation with respect for the environment.

The hotel's range of rooms is far from exhausted: the Parkhotel Laurin's prestigious meeting rooms are ideal for meetings, conferences, banquets and festive celebrations with family and friends. Depending on the occasion, various rooms are available: from short meetings in private in the intimate Oval Salon to smaller presentations and conferences in the elegant ambience of the Ladies' Salon to the spacious rooms equipped with modern technology (Rooms 1 and 2, Fireplace Room and Fountain Room) on the first floor.
