# GOLF

## PLAYING GOLF AMONG THE SCENTS OF THE MEDITERRANEAN

An extensive renovation project involved the 18-hole par 71 golf course, whose course extends across the Mediterranean landscape, within an orange and lemon plantation.

The course extends over an area of 6520 meters and was designed by architects David Mezzacane, president of the Italian Association of Golf Course Architects, and Vincenzo Mazzacane.

The par 4 6th hole was created inside a prickly pear plantation. The particular Iblean hills of white limestone surround the course on holes 2, 3 and 4. Centuries-old pine trees, laurel, myrtle and olive trees.

## WHEN LOCATION MAKES THE DIFFERENCE

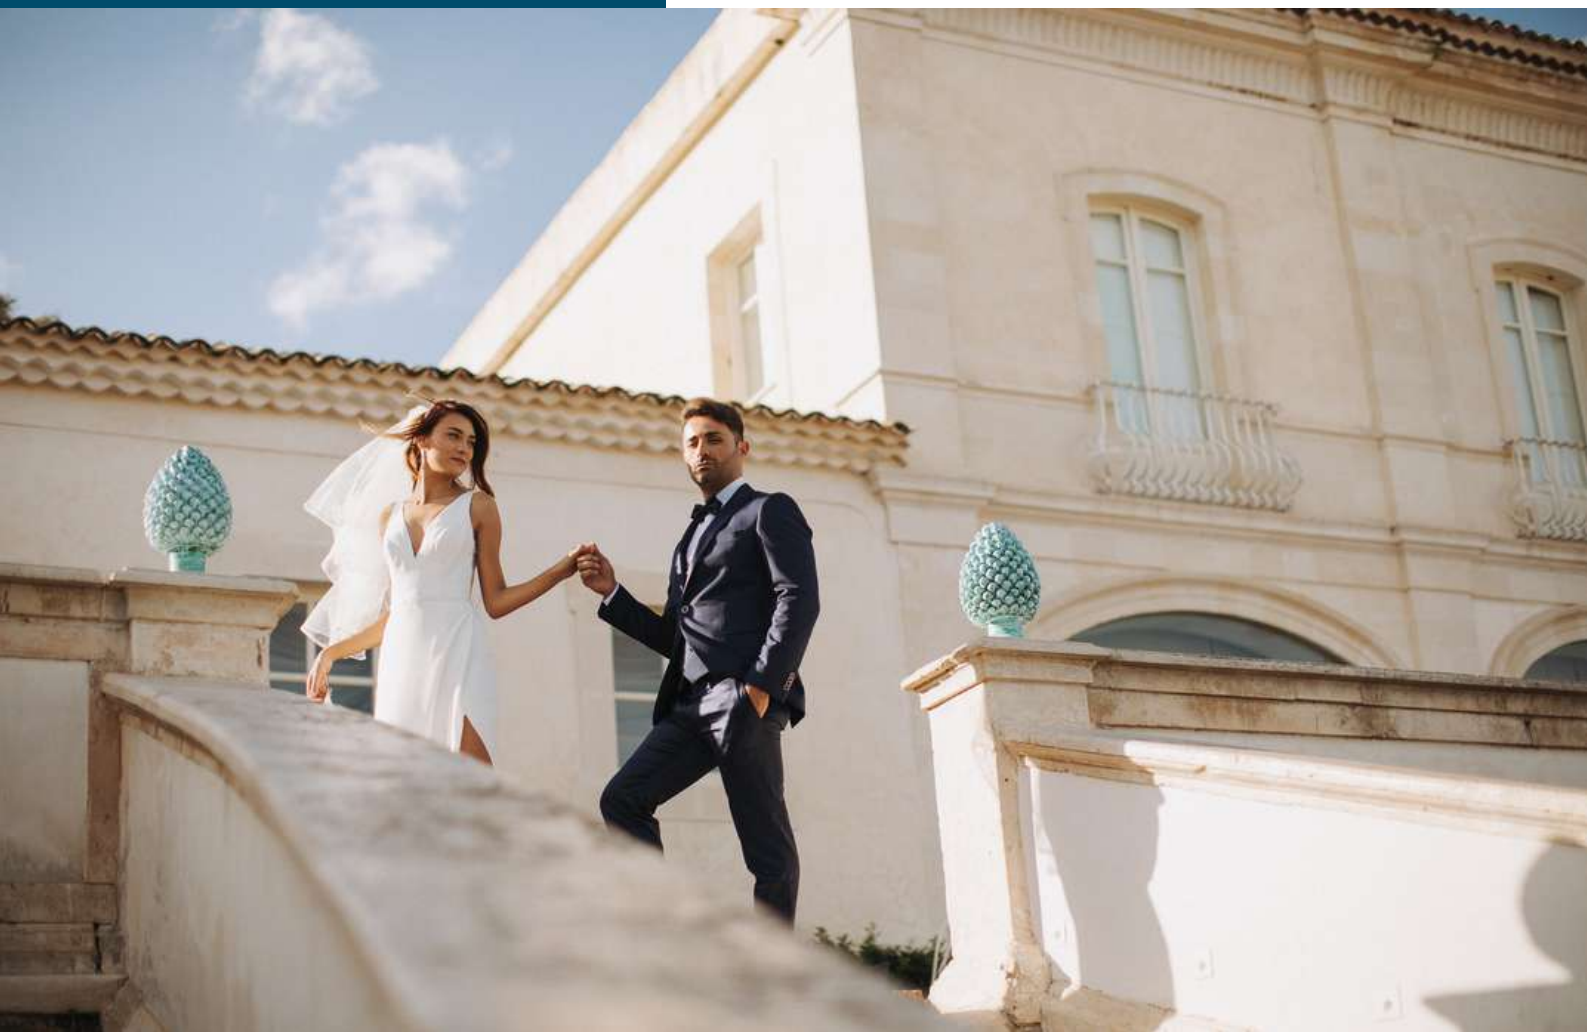

Borgo di Luce I Monasteri is a location with incredible charm and guaranteed emotional impact, where everything contributes to the success of the event. Suggestive and wide-ranging spaces, atmospheres rich in history, extraordinary architecture where past and future coexist, are the backdrop to excellent, tailor-made services, where an attentive and expert staff works to respond to every need.

All the outdoor spaces are of great charm: the terraces, the staircases, the ancient wash houses, the flowered patios, the gardens with citrus groves and olive trees are the perfect setting for weddings, private parties, celebrations to remember.

## POOLS, GARDENS AND TERRACES SERVICES AND EQUIPMENT FOR PRINCELY STAYS

The entrance avenue intersects with patios that lead to the panoramic terraces, where you can relax while sipping a glass of excellent Sicilian wine. The imposing staircase leads to the courtyard, the heart of the hotel, where a centuries-old ficus benjamin stands, the perfect stage for events, shows, theatrical and musical pieces and readings of classics.
