

MARRIOTT
MILAN

LOCATION

DISTANCES

The property is located just 2 km from the Castello Sforzesco. Furthermore, the newly developed City Life business center is just over a kilometer away. The nearest metro stop to the Hotel is Wagner (Red line M1) which allows a direct connection to the city center. On via Washington, moreover, there are numerous surface transport stops that connect with the main tourist attractions of the city and with the Cadorna station (underground, trains and connection with Malpensa Airport).
