3. Drafting of the statement

This statement was prepared on September 28, 2026.

The evaluation is based on a self-assessment carried out through an automatic audit using the Google Lighthouse engine (PageSpeed Insights), with the following crawl data:

- Start URL: <https://gopleyers.com/>
- Pages analyzed: 22 out of 22
- Average accessibility score: 92/100
- Issues detected: 68 (Critical: 3, Serious: 44, Moderate: 21, Minor: 0)

- Reference standards: WCAG 2.1 AA – EN 301 549

Real browser interaction tests on 5 page(s) (keyboard navigation, focus visibility, tab order, 320px reflow, 200% zoom, text spacing, target size) have been added to the automatic check: 12 issues detected.

The checklist of 15 criteria that cannot be automatically verified has been completed: 1 criterion is not met.

Additionally, 22 issues were detected within third-party components (consent banners, widgets, embedded content), the resolution of which depends on the component provider.

The statement will be reviewed whenever substantial changes are made to the website and, in any case, at least annually.
