

# ALLONDA

RESTAURANT | BAR

“Allonda” is derived from the Italian word ‘wave’ in reference to executing what we consider to be the perfect risotto. A smooth wave is achieved during the process if, and only if, you get the perfect balance of butter, parmesan, stock & temperature.

This is the philosophy of Allonda - balance.

In this booklet you will find wines that have been hand selected with care. Wines that are meant to engage you and be remembered fondly with whom you choose to share them.

Wines with stories, history, and meaning.

We hope you find as much joy in this list as we have writing it for you.
