

You'll Want To Turn This Rhythm Night Way Up!

We're hosting an extra special Rhythm Night on Wednesday, March 30 at 7:00PM ET!

ELEVATION RHYTHM will be blessing us with a listening party, which means it will be a vibe you don't want to miss! Plus, you'll be the first to hear the songs from their album, *Growing Pains*, which will be released on April 1. How cool is that?!

Tell your eGroup to mark their calendar now. Catch it at Ballantyne or on our [YouTube channel](#).

Behind The Scenes With ELEVATION RHYTHM

We're rolling into week three of our catalog and we're talking about everybody's new favorite song, "Fake Love!"

You can play the latest single everywhere you stream music and then you can listen as ELEVATION RHYTHM unpacks the lesson in the lyrics.

Also, how much fun has this content been? We love getting a behind-the-scenes look at how RHYTHM wrote these anthems!
