A SAFE SPACE FOR BRONX YOUTH PEOPLE

Through the BYC, The Door provides critical career and education programming to over 1,500 young people per year—including targeted support for systems-involved youth, and young parents. Since opening in the South Bronx in 2015, the BYC has served as a safety net and gateway to career advancement for young people living and working in one of New York City's most under-resourced communities.

In June 2023, the BYC officially relocated to a newly renovated 18,000 square foot space on Third Avenue and 154th Street in the Bronx. The new location and increased space has enabled The Door to provide additional programming that closely replicates the full suite of offerings at the SoHo location. Under this more holistic approach, The Door is better equipped to ensure that more young people in the Bronx have access to the tools, resources, and opportunities needed to overcome obstacles and succeed in adulthood.
