### Convenience of roll-ons?

Essential oil roll-ons are an amazing option because all the mixing has already been done for you. No risk of spills, no chance of getting the proportion of oils out of whack, they are all ready to go.

### Where to apply roll-ons?

**Perfume** : If you are applying a roll-on simply because you love the aromas, then apply to your pulse points.

**Breathe** : Best to inhale the oil directly. Apply underneath your nose or to pulse points near the face.

**Sleep & Stress** : For best results, apply the roll-on to pulse points near or around your face.

### Are they safe to use?

Keep out of reach of children. For external use only.

If pregnant, nursing, or under a doctor's care, consult physician before use.

Discontinue use if skin irritation occurs.
