## All-natural Signature Teas

### Masala Chai

Our Masala Chai tea blend combines premium black tea with cinnamon, cardamom, and ginger. Originating in India, Masala means 'a blend of spices', and chai means 'tea'. So, Masala Chai is literally spiced tea.

### Gunpowder

Gunpowder is a classic green tea from China in which each leaf has been rolled into a small round pellet. Its name comes from its resemblance to grains of gunpowder. When blended with spearmint, it becomes Moroccan Mint tea.

### English Breakfast

English Breakfast is a full-bodied black tea blend that goes well with a traditional English breakfast. Made from top quality tea leaves, our English Breakfast stays true to the classic. May be enjoyed plain or with a drop of milk.

### Earl Grey

Earl Grey is a classic blend of artisan black tea, flavored with bergamot (a citrus fruit). Fresh citrus aroma from the bergamot oil makes Earl Grey perfect for the afternoon. Its taste is often described as bright, refreshing, and bold.

### Vanilla Cream

Vanilla Cream Tea is a flavored black tea with vanilla beans and vanilla creme flavor. This black tea is sweet and is rich in antioxidants. It is a natural stress reliever and a good substitute for ice-cream.

### Peach Tea

Our juicy Peach black tea is a sweet and mellow blend of black tea, peach pieces, marigold petals and natural peach flavoring. A perfect option for those who enjoy a sweet, floral and fruity tea.
