

# COIN SET

## Mint Set (1947 to Date)

The United States Uncirculated Coin Set, known as the Mint Set in the United States, is an annual coin set sold by the United States Mint. The set is marketed towards coin collectors as a way to obtain circulation coins in mint condition.

## Proof Set (1936 to Date)

Proof Set is a set of proof coins sold by the United States Mint. The proof set is popular with coin collectors as it is an affordable way to collect examples of United States coinage in proof condition.

## Silver Proof Set (1976, 1992 to Date)

The Silver Proof set containing a dime, quarter, and half dollar composed of 90% silver. The compositions for the penny, nickel, and dollar remained the same as in the standard proof sets.
