

BOTTLE CLEANING TABLETS

Fizz-Off Bottle Cleaning Tablet

No scrubbing

Removes stains and odors

Works great on plastic, stainless steel, glass, porcelain, & silicone

AFTER

BEFORE

Bottle Cleaning Tablet

Instructions for use

Fill the bottle or container with warm water & drop in one tablet.

Let it sit for 15-30 minutes while the fizz cleans the reservoir.

Empty the bottle, rinse thoroughly & your bottle is ready to be used again!

For stubborn stains, use hot water & let it sit overnight.

Package 3 1/2" x 2 1/2"

Specifications

Give your tumblers and bottles a new and fresh look with our new biodegradable and chlorine-free cleaning tablet! Our bottle cleaning tablets dissolve in water, creating bubbles that clean stubborn stains and odors without any harsh chemicals.
